#### THREE-GAME POINT TOTAL HIGHEST SINCE 1950

The Patriots scored a combined total of 149 points over a three-game span from Oct. 14 to Oct. 28, marking the highest three-game point total by an NFL team since 1950. The last team to score 149 or more points over a three-game span was the 1950 Los Angeles Rams, who totaled 163 points from Oct. 22 to Nov. 5, 1950. The Patriots won their three games by scores of 48-27 (at Dallas on Oct. 14), 49-28 (at Miami on Oct. 21) and 52-7 (vs. Washington on Oct. 28), totaling 149 points. The 1950 Rams won three games by scores of 70-27, 65-24 and 28-21, totaling 163 points. The 1950 Rams hold the NFL's all-time record for most points per game, averaging 38.8 points per game (466 points in 12 games).

#### **510 TOTAL NET YARDS MOST SINCE 1979**

The Patriots gained 510 total net yards against Buffalo on Nov. 18, marking the franchise's highest total in 28 years. The Patriots' offensive output was the highest since New England gained a franchise-record 597 total net yards in a 56-3 win over the New York Jets on Sept. 9, 1979. The Patriots' 510 total net yards against the Bills are the fourth highest total in franchise history.

## **ROBERT KRAFT: BUILDING SUCCESS**

ince Robert Kraft purchased the team in 1994, the Patriots have experienced one of the most dramatic turnarounds in the history of sports. In 14 seasons of ownership, Kraft has transformed one of the league's least successful clubs into what many observers view as a model NFL franchise. In the five seasons

immediately preceding his purchase (1989-93), the Patriots were a moribund team, winning just 19 of 80 games (.311 pct.) and recording the worst record in the NFL over that span. When he bought the franchise on Jan. 21, 1994, Kraft announced his intention to bring a championship to New England, a tall order considering the team's previous success rate. But under Kraft's leadership, the Patriots have won seven division titles, four conference crowns and three Super Bowl championships.

#### A CHAMPIONSHIP TRADITION

The Patriots and the San Antonio Spurs are the only teams from North America's four major professional sports leagues to have won three titles since 2001. Additionally, the Patriots trail only the New York Yankees and San Antonio Spurs in having won three titles in the period since Robert Kraft purchased the team.

#### **SELLOUT STREAK**

In the early 1990s, the Patriots franchise appeared destined for relocation until Robert Kraft's purchase of the team rejuvenated local interest. In 1991, the team's season ticket base consisted of just 17,635 fans, barely enough to support the club. Sixteen years later, the season-ticket base stands at a capped total of 61,759 and more than 50,000 fans are on a waiting list. The Patriots have sold out 147 consecutive home games (dating back to the 1994 regular-season opener). Patriots fans in New England have never been faced with a TV blackout under Kraft's ownership.

#### **SUCCESS STORY**

Since Robert Kraft purchased the team in 1994, the Patriots have been one of the NFL's elite franchises. Over the first 13-plus years of Kraft's ownership, the Patriots own the highest win total among all NFL teams in addition to the highest winning percentage – a remarkable record considering the fact that the Patriots were a combined 19-61 (.311) in the five years immediately preceding the purchase.

## **BILL BELICHICK NEWS & NOTES**

#### THE HEAD COACH

Bill Belichick is in his 33rd

season as an NFL coach and is the only head coach in NFL history to win three Super Bowl titles in a four-year span. In the 2007 season, Belichick led the Patriots to the fourth undefeated and untied regular season in the NFL's 88year history and the first since the NFL established a 16-game schedule in 1978. He has produced five straight AFC East titles and six division championships in the last seven seasons. Belichick's Patriots teams own the all-time NFL records for consecutive total victories (21 from 2003-04), consecutive regular-season victories (19 from 2006-07) and consecutive playoff victories (10 from 2001-05). Belichick owns the second best postseason record in NFL history (13-3) and is the winningest NFL head coach since 2001 (98-28). From 2003-04, he directed the Patriots to back-to-back Super Bowl titles while posting consecutive 17-win campaigns. Belichick has spent more seasons in the league than any other current NFL head coach, and in that time has been a part of five Super Bowl championship teams. His overall record of 103-39 with the Patriots gives him the most victories and the best winning percentage of any head coach in franchise history.

#### **ELITE COMPANY**

Bill Belichick is one of nine NFL head coaches to win three or more championships since the league began postseason play in 1933. With the Patriots' victory in Super Bowl XXXIX, Belichick joined an exclusive club in which each of the eight other members has been enshrined in the Pro Football Hall of Fame.

#### Five Patriots are first-time All-Stars: Three Patriots offensive linemen are All-Stars for first time since 1966

ight members of the New England Patriots have been selected to represent the Patriots and the AFC at the 2008 Pro Bowl in Honolulu on Feb. 10. The Patriots will send eight players to the Pro Bowl for the first time since 1985, and the team's eight Pro Bowlers tie the 1985 squad with the most Patriots Pro Bowl players since the 1970 AFL-NFL merger. The Boston Patriots sent a team-record 11 players to the AFL All-Star Game on two occasions (1963 and 1966). Seven Patriots will be among the 22 starters on the 2008 AFC Pro Bowl squad.

Koppen, Light and Mankins comprise the first trio of Patriots offensive linemen to earn Pro Bowl honors in the same season since the 1970 AFL-NFL merger. The three All-Star offensive linemen tie a team record also achieved when the Boston Patriots sent three offensive linemen to the 1966 AFL All-Star Game (C Jon Morris, T Tom Neville and G Len St. Jean). This season, New England allowed just 21 sacks, the fewest number of sacks allowed by the franchise in a full season in 30 years, dating back to a 17-sack performance in 1977. Additionally, the 2007 Patriots averaged 4.10 yards per rush, a mark that was the team's highest rushing average since 1985.

**Tom Brady**'s four Pro Bowl selections are the most of any Patriots quarterback, topping the three All-Star selections of Drew Bledsoe (1994, 1996, 1997) and Vito "Babe" Parilli (1963, 1964, 1966). The two-time Super Bowl MVP also earned Pro Bowl nods in 2001, 2004 and 2005. Brady threw an NFL-record 50 touchdown passes in 2007. Brady was named AFC Offensive Player of the Month twice (September and October) and earned AFC Player of the Week honors five times.

**Dan Koppen** is the third center in Patriots history to earn All-Star honors, joining Damien Woody (2002) and Jon Morris (seven AFL All-Star Game appearances from 1964-70). The Boston College product is in his fifth season with the Patriots since being selected in the fifth round (164th overall) of the 2003 NFL Draft. He started 15 games this season.

Matt Light is the only Patriots player who will return to Hawaii for the second consecutive season, having earned his first career Pro Bowl selection in 2006. Light is one of four Patriots offensive tackles to earn All-Star selections since the 1970 merger, joining Patriots Hall of Famer Bruce Armstrong, Leon Gray and Brian Holloway. The Purdue University product is in his seventh season with the Patriots since being selected in the second round (48th overall) of the 2001 NFL Draft. He started all 16 games this season.

Logan Mankins is the first Patriots guard to earn a Pro Bowl selection since 1985, when Pro Football Hall of Famer John Hannah went to his ninth career Pro Bowl. Mankins joins Hannah as the only Patriots guards to earn Pro Bowl bids since the 1970 merger. The Fresno State product is in his third season with the Patriots since being selected in the first round (32nd overall) of the 2005 NFL Draft. He started all 16 games this season and has never missed an NFL game, starting all 48 games of his career.

Randy Moss is the fourth Patriots wide receiver to earn a Pro Bowl selection since the 1970 merger, joining Stanley Morgan, Terry Glenn and Troy Brown. He will return to Hawaii for the sixth time, having also earned All-Star honors from 1998-2000 and from 2002-03. Moss set an NFL record with 23 touchdown receptions and set a new franchise record for receiving yards (1,493). Moss's 138 points scored led the NFL among non-kickers. Moss was the AFC's Offensive Player of the Month for November and earned AFC Offensive Player of the Week honors on two occasions.

Asante Samuel joins Pro Football Hall of Famer Mike Haynes, Ty Law and Raymond Clayborn as one of four Patriots cornerbacks to earn Pro Bowl honors since the 1970 merger. Since the beginning of the 2006 season, Samuel leads the NFL with 16 interceptions (Champ Bailey, 13) from 2005-07 recorded 58 passes defensed, a total that ties Bailey for the league lead over that span. He was named AFC Defensive Player of the Week following a two-interception performance against Philadelphia on Nov. 25, 2007.

**Mike Vrabel** is the seventh Patriots linebacker to earn a Pro Bowl nod since the merger and is the first New England linebacker to go to Hawaii since Tedy Bruschi earned the honor following the 2004 season. Vrabel is in his 11th year in the NFL and his seventh season with the Patriots. He led the Patriots with 12.5 sacks this season, tying the third highest single-season total in team history and recording the highest sack total by a Patriot in 20 years. Vrabel was named AFC Defensive Player of the Week following a game against Washington on Oct. 28 in which he recorded three strip-sacks, forcing fumbles that were recovered by the Patriots each time.

Vince Wilfork joins Richard Seymour as the only Patriots defensive tackles to be selected to a Pro Bowl since the 1970 merger. Wilfork started every game this season as part of a Patriots defense that ranked fourth in the NFL in yards allowed per game (288.3). The 288.3 yards per game allowed by the Patriots this season are the fewest for the franchise since allowing 270.2 yards per game in 1979. Wilfork is in his fourth season with the Patriots since being selected in the first round (21st overall) of the 2004 NFL Draft.

Randy Moss's four touchdown receptions in the first half against Buffalo on Nov. 18 tied an NFL record for the most touchdown catches before halftime. The last NFL player to achieve the feat was Roy Green of the St. Louis Cardinals, who did it against Seattle on Nov. 13, 1983. Additionally, Moss has averaged 79.0 receiving yards per game during his career, a mark that ranks third all-time.

#### VRABEL LEADS TEAM WITH 12.5 SACKS

Defensive co-captain Mike Vrabel had a career-high 12.5 sacks in 2007, a total that is tied for the third highest single-season total in team history. His 12.5 sacks tied for third in the AFC in 2007 and tied for sixth in the NFL. Vrabel's 12.5 sacks are the most by a Patriots player in 20 years, dating back to Andre Tippett's

12.5-sack season in 1987. Vrabel tied his single-game career high with 3.0 sacks on Oct. 28 against Washington, and on each of his sacks caused Redskins signal caller Jason Campbell to fumble, creating three turnovers that resulted in 17 points for New England in its 52-7 win. Vrabel leads the team with four strip-sacks in 2007, with his other strip-sack coming in the fourth quarter against the New York Jets on Sept. 9. Since joining the Patriots prior to the 2001 season, Vrabel has 12 regular-season strip-sacks (four in 2003, one in 2005, three in 2006, four in 2007) and three in the playoffs (one in 2003, 2004, and 2006).

## **NOTABLE QUOTES**

#### WR Randy Moss on playing for the Patriots

"I'm very blessed and fortunate to be in this position to be able to go out and do what I love to do, and that's play football. There's certain things in life that you don't want to pass up, and this was an opportunity that I didn't want to pass up. Becoming a New England Patriot and playing some real heads up championship caliber football not only towards the end of the season, at the beginning, the middle, and the end."

- Postgame Press Conference, Dec. 29, 2007

#### QB Tom Brady on throwing an NFL-record 50 TD passes

"I'm just proud of the way we played, and more than any individual record, which to me is just not as important as what I've experienced in the last seven years and what I experienced tonight. I love throwing 50 touchdowns because that means we scored 50 times and we scored a bunch of other touchdowns to break other scoring records so that's cool for the offense to share in that. The defense, too, because that plays a lot of credit into the defense for the way they're getting us the football. Those are all great achievements and I'm just excited to be part of them."

- Postgame Press Conference, Dec. 29, 2007

## Head Coach Bill Belichick on what it feels like to have gone undefeated in the regular season

"It's a great feeling and now is the time to take a day or two and appreciate what this team has done, but at the same time we have our biggest game of the year coming up and we are going to have to be ready for that."

- Postgame Press Conference, Dec. 29, 2007

## Head Coach Bill Belichick on the Patriots' game-by-game preparation

"I think we approach every week as it's own entity. I don't think our record means anything as far as this week goes. I don't think it will mean anything as far as any other week goes. We just try to take each week at face value, for what it is, where our team is, where our opponent is, how we can maximize the opportunity we have to prepare and then play as well as we can competitively on Sunday."

-Press Conference, Oct. 22, 2007

#### LB Tedy Bruschi on the undefeated regular season

"How does it feel when you've done something that's never been done before? I just know there is a really great sense of accomplishment in this locker room in every single player, from the guys who cover kicks to the guys who threw touchdown passes. It took everybody to accomplish this goal, every single person on this team, every single coach, and we're going to take a couple of days to be proud of this accomplishment."

-- The Boston Globe (Christopher L. Gasper), Dec. 30, 2007

#### S Rodney Harrison on the hype surrounding the team

"We don't get caught up in that cat and mouse game. The games aren't won or lost through the media. They're won or lost on Sunday and that's what we focus on."

--Postgame Locker Room, Dec. 9, 2007

#### QB Tom Brady on Coach Belichick

"I've been playing for him for eight years and he's never wrong. Usually, we come in Monday morning and look at the evaluations and if we do the things that he really talked about, usually we come out ahead. He's a great leader and he's a great coach to play for. We all believe in him and we trust him. He always says that he makes decisions based on the best interest of the team. He truly means that."

--Press Conference, Oct. 31, 2007

#### QB Tom Brady on his competitive nature

"I try to win every single time I take the field. Every time I try to win in backgammon. I try to win in cards. I try to win driving to the bubble when we practice in the bubble."

--Locker Room Interview, Nov. 14, 2007

#### WR Randy Moss on playing for the Patriots

"I come to work every day. I love seeing the guys. I love the camaraderie in the locker room. I love going to practice every day. We have fun."

--Postgame Press Conference, Oct. 14, 2007

## Hall of Fame Head Coach John Madden on the Patriots offense and QB Tom Brady

"It's the best offense I've ever seen. Tom Brady is playing the position of quarterback, right now, better than I've ever seen anyone play it in my history. Where they go as the best team, I think offensively they are right there. I think the best offensive teams that won were probably the San Francisco 49ers, in my mind, and I think this [offense] -- the way they're playing right now -- is probably better. Again, I put the whole thing together with the offensive line and the receivers and the quarterback and everything."

--NBC Sports Conference Call, Nov. 20, 2007

#### Hall of Fame QB Joe Montana on Tom Brady

"Right now you look at him and he's in such a zone. He has so much confidence in his own abilities, it's hard to stop. When you reach that point, it's difficult for a defense to get you out of there, especially when you're on a team with as many weapons as the Patriots."

-- Boston Herald (John Tomase), Oct. 10, 2007

#### Hall of Fame QB Joe Montana on Randy Moss

"Someone like Randy makes your whole team better and takes you to another level, just like Jerry [Rice] did for us."

--Boston Herald (John Tomase), Oct. 10, 2007

### Hall of Fame Head Coach Marv Levy on the 2007 Patriots

"They are the best I have seen in a long, long time."

-- Boston Globe (Reid Laymance), Nov. 19, 2007

#### Hall of Fame QB Troy Aikman on the 2007 Patriots

"[Bill] Belichick and personnel guru Scott Pioli have assembled a great group of smart, tough, talented players who fit the schemes. They're focused, they're united, they're confident -- and they're playing at a level that I've never seen executed over such a large chunk of the season. Shoot, they've gotten better as the season has progressed."

--SportingNews.com, Nov. 14, 2007

#### **Head Coach Bill Belichick on Randy Moss**

"As a head coach, [I've] never had a better receiver than Randy. I've been on teams that have had a lot of other good receivers, but he's very good and he's been good for this football team. He's added a lot. He's brought a lot of leadership as well as playmaking ability and a lot of versatility to our football team. I'm glad we have him. I don't know about ranking anything. I don't know about all that, but I'm glad he's on our team. I'm glad he's playing for us."

-Press Conference, Nov. 20, 2007

#### Head Coach Bill Belichick on Mike Vrabel

"I think Mike's been a good consistent football player for us for several years now and he's done it again this year. He's smart, he's tough, he's in good condition, he's strong, he's well-prepared. It's like having a coach on the field out there. He's a very good communicator, picks up offensive tenancies and is very adept at those types of things, making adjustments and playing good situational football. He's been good at that for awhile; he's been good at it this year."

-Press Conference, Nov. 20, 2007

## **PATRIOTS TV RATINGS**

#### PATRIOTS GAMES MAKE NATIONAL AND LOCAL TV RATINGS HISTORY

Patriots games are the four most-watched programs of 2007-08 television season

Patriots games are four highest-rated games of 2007 NFL season

Patriots-Giants game on Dec. 29 is highest-rated regular-season game in Boston market and attracts more national viewers than any NFL game since 1995

While the New England Patriots continue to set records on the field, they are also attracting television viewers at a historic rate.

The New England Patriots' 27-24 victory over the Baltimore Ravens on ESPN on Monday, Dec. 3 was seen by 17,522,000 viewers according to Nielsen Media Research, making it the most-watched program in cable television history. The number of viewers for the game surpassed the 17,241,000 viewers who watched High School Musical 2 on the Disney Channel on Aug. 17, 2007. That program held the previous record for the largest cable television audience.

Patriots games are also the four most-watched TV programs of any kind since the 2007-08 television season began on Sept. 24. The Patriots-Giants game on Dec. 29 was seen by 34.5 million people nationwide, making it the most-watched TV program of the 2007-08 television season (and the most-watched NFL game since 35.7 million people watched the Dallas-Kansas City game on Thanksgiving, 1995). New England's 24-20 win over the Indianapolis Colts on Nov. 4 was seen by 33.8 million people on CBS, the Patriots-Steelers game on Dec. 9 was seen by 30.3 million people on CBS and the Patriots' 48-27 victory over the Dallas Cowboys on Oct. 14 was seen by 29.1 million people on CBS. The next largest audience for a TV show this television season was for the season premiere of CSI, which attracted 25.4 million people on CBS on Sept. 27.

At any given point during the Patriots-Colts game on Nov. 4, 33.8 million viewers were watching, making it the largest national audience for a Sunday afternoon regular-season NFL game since CBS began keeping records in 1987. In all, 66.4 million people watched at least six minutes of the Patriots-Colts game.

The Patriots-Cowboys game also earned a historically high rating, although its records were eclipsed by the Patriots-Colts game the next month. The 18.5 rating earned by the Patriots-Cowboys game was at the time the highest-rated regular-season NFL game on CBS since the network resumed televising NFL games in 1998.

Additionally, the Patriots-Steelers game on Dec. 9 earned an 18.0 rating. The Patriots' games against the New York Giants, Indianapolis, Pittsburgh and Dallas are the four highest-rated NFL games this season on any network.

The Patriots-Ravens game on Dec. 3 earned an 11.1 rating, making it the highest-rated Monday Night Football game on ESPN and the highest-rated NFL game on ESPN in 12 years. The Patriots-Ravens game broke the previous ESPN Monday night record (10.6 rating) achieved by the Dallas Cowboys-New York Giants game on Oct. 23, 2006. The 11.1 rating for the Patriots-Ravens game was the highestrated NFL game on ESPN since Dec. 3, 1995, when a Buffalo-San Francisco game garnered a 12.8 rating.

The Patriots-Giants game on Dec. 29 earned a 49.9 rating (75 share) in the Boston market, making it the highest-rated regularseason Patriots game in history in the Boston market. The rating represents a combined figure from an unprecedented four-way telecast in which the game was seen in Boston on NFL Network, WBZ-TV Channel 4 (CBS), WCVB-TV Channel 5 (ABC) and WHDH-TV Channel 7 (NBC). The game's 75 share meant that at any given point during the game, 75 percent of the TVs in the Boston market that were on were tuned in to the Patriots game.

The Patriots-Jets Game on Dec. 16 earned a 40.4 rating (62 share) in the Boston market, making it the highest-rated 1:00 p.m. regular-season Patriots game in history in the Boston market. The game was the third highest rated regular-season Patriots game in team history in the Boston market, trailing only the Patriots-Dolphins game on Dec. 7, 2003 (43.8 rating, 61 share) and the Giants game on Dec. 29, 2007.

#### **TOP TELEVISION RATINGS**

Patriots games averaged more than a 50 share for the sixth straight season, meaning that more than half of all televisions that were on during Patriots games were tuned in to the game. The Patriots had a share of 50 or higher in 13 of their 16 games during the regular season.

| New England Patriots | 7 | 7 | 14 | 10 | _ | 38   |
| New York Jets        | 0 | 7 | 7  | 0  | _ | 14   |

The Patriots opened the 2007 season with a convincing road victory over a division rival, defeating the New York Jets, 38-14. New England used 24 second-half points to put the game out of reach, as a solid effort in all three phases of the game resulted in an encouraging beginning to the campaign.

On offense, Randy Moss compiled 183 receiving yards on nine catches, turning in the third-most prolific day for a receiver in Patriots history (in terms of receiving yardage) and totaling the third-highest receiving yardage total of his career. Tom Brady also turned in a superlative performance, as his 146.6 passer rating was the third best of his career. New England ground out three drives of 10 plays or longer and in its four red zone trips came away with three touchdowns and a field goal.

On defense, the Patriots sacked New York quarterbacks five times, as Mike Vrabel totaled 2.5 sacks and Jarvis Green added a pair of sacks. New England allowed just 60 rushing yards as the Jets made six first downs on their non-scoring drives.

New England's special teams produced a 108-yard kickoff return for a touchdown by Ellis Hobbs, the longest kickoff return in the NFL's 88-year history.

The Patriots started strong, compiling a 12-play, 91-yard scoring drive on their first offensive possession, ending in an 11-yard touchdown strike from Brady to Wes Welker. New York tied the score at seven midway through the second quarter, but on the ensuing drive, the Patriots marched down the field to reclaim the lead, 14-7, on a 5-yard touchdown pass from Brady to tight end Benjamin Watson.

In the second half, New England came out of the gates quickly, as Hobbs returned the opening kickoff 108 yards for a touchdown and a 21-7 Patriots advantage. On New England's next possession, Brady found Moss for a 51-yard touchdown and a 28-7 Patriots lead. A Jets score on their ensuing possession cut the lead to 28-14 entering the fourth quarter, but 10 unanswered points for the Patriots in the final period – a 22-yard Stephen Gostkowski field goal and a 1-yard scoring run by Heath Evans – put it away as the Patriots headed home with a 38-14 win

#### LONGEST KICKOFF RETURN IN NFL HISTORY

Ellis Hobbs returned the opening kickoff of the second half 108 yards for a touchdown, recording the longest kickoff return in NFL history and tying for the longest play in NFL history. The kickoff return for a touchdown was the second of Hobbs's career, with his other coming on Dec. 17, 2006 on a 93-yard return against the Houston Texans. Hobbs's 108-yard kickoff return surpasses the previous NFL record of 106 yards, achieved three times, last by Roy Green of the St. Louis Cardinals in 1979. Hobbs's play ties two 108-yard missed field goal returns for touchdowns as the longest play in NFL history.

#### **SEASON STARTS WITH A TOUCHDOWN DRIVE**

The Patriots scored a touchdown on their first offensive possession of the season for the first time since 1997. The last time New England reached the end zone on its season-opening possession was on Aug. 31, 1997 against San Diego at Foxboro Stadium. In that game, the Patriots received the opening kickoff and marched 73 yards, ending in a 4-yard touchdown pass from Drew Bledsoe to Ben Coates. The last time the Patriots opened the season with a touchdown drive on the road was in 1989, when New England opened with a 93-yard touchdown drive against the Jets at Giants Stadium, ending in a 20-yard touchdown pass from Tony Eason to Irving Fryar.

#### **MOSS DEBUTS**

Randy Moss scored his first touchdown in a Patriots uniform on a 51-yard reception from Tom Brady in the third quarter, giving the Patriots a 28-7 lead. The touchdown catch was the 102nd of Moss's career and was his 20th career touchdown reception of 50 yards or longer. Moss's 183 receiving yards in the game marked the third highest total of his career and the third highest single-game total in Patriots history.

#### **150 FOR BRADY**

Tom Brady's 51-yard touchdown pass to Randy Moss in the third quarter was the 150th touchdown toss of his regular season career. He joins Steve Grogan (182) and Drew Bledsoe (166) as the only quarterbacks in Patriots history to total 150 touchdowns.

#### STARTING STRONG

The Patriots' first offensive possession of the season was a 91-yard, 12-play touchdown drive that ended in an 11-yard touchdown pass from Tom Brady to Wes Welker, giving the Patriots a 7-0 lead. New England gained seven first downs on the drive and did not face a third down until the final play of the drive, on which Brady found Welker for the score.

#### **BRADY-TO-WELKER**

Wes Welker scored his first touchdown in a Patriots uniform on an 11-yard scoring grab from Tom Brady in the first quarter. The scoring catch was Welker's 100th career reception and the second touchdown catch of his career. He also reached the end zone on a kick return in 2004 with the Miami Dolphins. Welker was acquired by the Patriots from the Dolphins on March 5, 2007 in exchange for a second-round pick and a seventh-round selection in the 2007 draft.

The Patriots put together a convincing 38-14 victory over the San Diego Chargers in their 2007 home opener, beginning the season with consecutive victories for the eighth time in the franchise's 48-year history. New England led from wire-to-wire as it took a 7-0 lead on its first offensive possession and never looked back. Tom Brady threw three touchdown passes, including two to Randy Moss, and the Patriots totaled 144 rushing yards and averaged 4.5 yards per carry. New England's run defense held the Chargers to just 2.6 yards per carry, as 2006 MVP LaDainian Tomlinson managed just 43 yards on 18 carries. Adalius Thomas returned an interception 65 yards for a touchdown, while fellow linebacker Rosevelt Colvin had two sacks and an interception.

For the second straight game, the Patriots put together an impressive drive on their first offensive possession, taking a 7-0 lead after marching 69 yards in seven plays, ending in a 7-yard touchdown pass from Brady to Benjamin Watson. The New England defense continued the momentum, as Colvin intercepted San Diego's Philip Rivers on the Chargers' first play from scrimmage. Later in the first quarter, the Patriots took a 14-0 lead on a touchdown from Brady to Moss. Brady completed 13-of-16 passes for 151 yards and two touchdowns in the first quarter, recording the highest first-quarter yardage total of his career. In the second quarter, a Colvin strip-sack set up a Patriots field goal and Thomas' interception return gave the Patriots a 24-0 lead at halftime.

In the second half, San Diego got the ball and marched down the field to get on the scoreboard and cut the New England lead to 24-7. But on the ensuing drive, the Patriots marched 75 yards in seven plays, taking a 31-7 lead on Moss's second touchdown catch of the night. The teams traded fourth-quarter touchdowns, as Sammy Morris rumbled into the end zone with 3:18 left in the game to put the finishing touches on the Patriots' second straight 38-14 win to begin the 2007 season.

#### THREE TOUCHDOWNS FOR BRADY

Tom Brady threw three touchdown passes, marking the second time in his career he had thrown three or more touchdowns in back-to-back regular season games in the same season. The other time Brady threw for three-plus scores in consecutive games was in 2002, when he had three touchdowns against Buffalo (11/3/02) and followed that with a three-score day against Chicago (11/10/02). This season marks the first time in Brady's career that he has had three or more scoring throws in each of the season's first two games.

#### **100-YARD DAY FOR MOSS**

Randy Moss gained 105 yards on eight receptions, totaling 100 or more yards in a game for the 50th time in his career (including three playoff games). He has exceeded the 100-yard mark in each of his first two games as a Patriot, following his 9-catch, 183-yard performance in the Patriots' season-opening win over the New York Jets on opening day.

#### TWO TOUCHDOWNS FOR MOSS

Randy Moss scored a pair of touchdowns – a 24-yard scoring grab in the third quarter and a 23-yard touchdown in the first quarter. The game was the 24th multiple-touchdown game of Moss's career. With his two touchdowns against San Diego, Moss raised his career total to 104 career receiving touchdowns, a total that ranks fifth on the NFL's all-time list.

#### **COLVIN: TWO STRIP-SACKS**

Rosevelt Colvin sacked Philip Rivers and forced him to fumble twice in the game. The first sack came at the Patriots' 44-yard line in the first quarter, and Vince Wilfork then recovered the loose ball to give possession to the Patriots. His second sack – in the fourth quarter – cause a fumble that was recovered by the Chargers. The sacks gave Colvin 50.5 career sacks – the sixth highest total among all active NFL linebackers. Last season, Colvin led the Patriots with 8.5 sacks and 26 quarterback hits. Included among his 2006 sack total was one strip-sack, coming against Detroit's Jon Kitna on Dec. 3. In last season's divisional playoff game between the Patriots and Chargers, New England's Mike Vrabel strip-sacked Rivers, setting up a New England field goal drive that gave the Patriots a 3-0 first-quarter lead.

#### **COLVIN INTERCEPTION**

Rosevelt Colvin intercepted a Philip Rivers pass on the Chargers' first play from scrimmage, giving the Patriots possession on the San Diego 24-yard line. Colvin also picked off a Rivers pass in the third quarter of the teams' divisional playoff game in San Diego on Jan. 14. The interception was the first of Colvin's Patriots career in regular season play and was his third career regular season pick. He intercepted two passes in 2001 while playing for the Chicago Bears.

#### **QUICK HITS**

- ➤ The Patriots scored in every quarter for the second straight game and have put at least seven points on the board in each of their eight quarters of football this season.
- The Patriots recorded their 140th consecutive home sellout, a streak that dates back to the 1994 regular season opener and includes all preseason, regular season and playoff games since then.
- ➤ Santonio Thomas and James Sanders combined to stuff LaDainian Tomlinson for no gain at the Chargers' 39-yard line on a third-and-one rush in the second quarter, forcing a San Diego punt on the next play.
- > Adalius Thomas stuffed Tomlinson for a 4-yard loss in the third quarter.

#### WATSON TOUCHDOWN

Benjamin Watson scored his second touchdown of the season and the ninth touchdown of his career when he hauled in a 7-yard pass from Tom Brady to complete the Patriots' first scoring drive of the game. Brady completed six-of-seven passes on the drive, totaling 69 yards, as the Patriots passed the ball on all seven plays of the drive. The biggest play of the drive was a 34-yard pass from Brady to Wes Welker that gave the Patriots a first-and-goal at the Chargers' 7-yard line, setting up the touchdown strike on the next play.

#### **MORRIS TOUCHDOWN**

Sammy Morris scored his first touchdown in a Patriots uniform when he rumbled in for a 3-yard touchdown on fourth down in the fourth quarter to give the Patriots a 38-14 lead. The touchdown was the 15th rushing touchdown of Morris' 8-year career and his 16th overall touchdown (one receiving). Morris' score against the Chargers completed a 15-play, 91-yard drive that lasted 10:07.

The Patriots defeated the Bills 38-7 to improve to 3-0 on the season. After trailing 7-3 midway through the second quarter, the Patriots rolled off 31 consecutive points to pull away from their division rivals and claim their eighth straight win over Buffalo. Tom Brady set a career high with a 150.9 passer rating and tied his career high with four touchdown passes. Randy Moss exceeded the 100-yard receiving mark for the third straight game and caught two touchdown passes for the second consecutive week. Laurence Maroney tallied 103 rushing yards to pace a Patriots ground game that totaled 177 yards and averaged 4.7 yards per carry. On defense, New England allowed the Bills to penetrate past midfield only once in the game, stalling 10 Buffalo drives in its own territory and one at midfield. Cornerback Asante Samuel recorded his first interception of the year and fellow defensive back Ellis Hobbs had a strip-sack.

The Patriots scored on their first drive for the third straight game, taking a 3-0 lead on a 24-yard field goal with 9:26 left in the first quarter. On the ensuing drive, the Bills marched 80 yards in 12 plays to take a 7-3 lead on an 8-yard touchdown run by Marshawn Lynch. Two possessions later, a Brady fumble at the Bills' 1-yard line stalled a potential scoring drive. But the Patriots then proceeded to score touchdowns on four of their next five possessions to put the game away. On the drive following Brady's fumble, Benjamin Watson grabbed an 8-yard touchdown pass to give the Patriots a 10-3 lead. On the next drive, Moss caught a 3-yard scoring pass to give the Patriots a 17-7 halftime lead.

After trading punts to begin the second half, the Patriots put together a 9-play, 89-yard drive to take a 24-7 lead on a 4-yard scoring reception by Jabar Gaffney. Following a Buffalo three-and-out, the Patriots further extended their advantage as a 4-yard touchdown plunge by Sammy Morris put them up 31-7. New England put the finishing touches on the win on its next drive, as Brady found Moss for a 45-yard score that completed a 10-play, 98-yard drive and made the score 38-7.

#### HIGH PASSER RATING FOR BRADY

Tom Brady set a career high with a 150.9 passer rating and tied his career high with four touchdown passes. He eclipsed both records in October.

#### **MARONEY: 100-YARD GAME**

Laurence Maroney totaled 103 yards on 19 carries (5.4 avg.), marking his second career 100-yard rushing game. He also broke the 100-yard mark at Cincinnati on Oct. 1, 2006, when he totaled 125 yards on 15 carries (8.3 avg.).

#### **ASANTE SAMUEL INTERCEPTION**

Asante Samuel picked off a Trent Edwards pass in the fourth quarter and returned it 42 yards, recording his first interception of the season and the 17th interception of his regular season career. Samuel has also recorded four playoff interceptions for New England. Following his interception against the Bills, Samuel had recorded 10 interceptions in his last 12 regular-season and playoff games, dating back to a three-pick performance against Chicago on Nov. 26, 2006.

#### **MOSS PASSES 11,000 YARDS**

With a 45-yard reception in the third quarter, Randy Moss became the 19th player in NFL history to gain 11,000 or more career receiving yards. Moss finished the game with 11,103 career receiving yards. Moss, a 10th-year veteran, finished the game ranked third in NFL history by averaging 78.8 receiving yards per game (11,103 yards in 141 games).

#### **GAFFNEY TOUCHDOWN**

Jabar Gaffney scored his first touchdown of the season on a 4-yard reception from Tom Brady in the third quarter. The touchdown was the ninth of Gaffney's regular season career and his second regular-season touchdown in a Patriots uniform. Gaffney also scored a pair of touchdowns for New England in the 2006 playoffs. Gaffney's touchdown against the Bills capped off a 9-play, 89-yard drive and gave the Patriots a 24-7 lead.

#### **HOBBS STRIP SACK**

Ellis Hobbs strip-sacked Buffalo's J.P. Losman, forcing a fumble on a 9-yard sack in the first quarter. Jarvis Green recovered the ball for the Patriots, who proceeded to march deep into Buffalo territory and take a 3-0 lead on a 24-yard field goal by Stephen Gostkowski. The sack was the first of Hobbs's career and his forced fumble was also a career first. For Green, it was his fifth career fumble recovery. Hobbs's strip-sack was the Patriots' fourth of the season. In the season opener against the Jets, Mike Vrabel sacked Kellen Clemens and forced him to fumble in the fourth quarter (the Jets recovered the ball). Last week against the Chargers, Rosevelt Colvin sacked Philip Rivers and caused him to fumble twice (the Patriots recovered once).

#### **BILLS SERIES STATS**

- ➤ With their victory over Buffalo, the Patriots now own 13 wins over the Bills in a 14-game span, marking the first time in franchise history that New England has defeated an opponent as many as 13 times in a 14-game span. The Patriots have defeated Buffalo eight straight times dating back to the Bills' 31-0 victory in the 2003 season opener.
- > The Patriots defense has held the Bills to a touchdown or less in five of the last eight games between the teams.

#### SILVER JERSEYS

The Patriots wore their silver alternate jerseys against the Bills – the sixth time that the team has worn them since they were introduced in 2003. New England improved to 5-1 while wearing silver. Below is a recap of New England's record when wearing silver.

# GAME 4: PATRIOTS 34, BENGALS 13

#### PATRIOTS 34, BENGALS 13

October 1, 2007 \* Paul Brown Stadium (Att: 66,113)

|----------------------|----|---|---|----|-------------|
| New England Patriots | 10 | 7 | 7 | 10 | <b>—</b> 34 |
| Cincinnati Bengals   | 0  | 7 | 3 | 3  | <b>—</b> 13 |

The Patriots defeated the Bengals 34-13 on Monday Night Football to improve to 4-0 on the season. New England gained a total of 173 rushing yards on 34 carries, while Tom Brady threw three touchdown passes – two to Randy Moss – to provide the offensive spark. Brady's passer rating exceeded 100.0 and Moss's receiving total exceeded 100 yards for the fourth consecutive week. Sammy Morris paced the rushing attack with 117 yards on 21 carries. On defense, the Patriots came up with two interceptions and held the Bengals to 57 rushing yards as the team allowed 14 or fewer points for the fourth straight week

The Patriots got on the board first, taking a 3-0 lead on a 31yard field goal by Stephen Gostkowski to cap off the game's opening drive. After swapping punts, the Patriots got the ball back and marched 65 yards on five plays to take a 10-0 lead on a 1-yard touchdown reception by linebacker Mike Vrabel, who lined up as a tight end on a goal-line play. A 49-yard run by Morris was the key play of the drive as the first quarter ended with New England up by 10. On the Patriots' first drive of the second quarter, the Bengals' Leon Hall intercepted a Brady pass to set up a quick-strike drive directed by Carson Palmer that ended in a 1-yard touchdown toss to T.J. Houshmandzadeh and cut the Patriots' lead to 10-7. But New England answered back, compiling an ensuing drive of 62 yards and 12 plays to take a 17-7 lead on an acrobatic 7-yard scoring grab by Moss. On the next possession, the Bengals drove into Patriots territory, but Asante Samuel intercepted a Palmer pass at the Patriots' 2-yard line to preserve the 17-7 lead going into halftime.

After a Cincinnati punt to open the second half, the Patriots extended their lead to 24-7 on a 7-yard scoring run by Morris. The teams then embarked on three successive field goal drives – two by Cincinnati and one by New England – to leave the score at 27-13 midway through the fourth quarter. But the Patriots then went 85 yards on nine plays to put the game away on a 14-yard touchdown from Brady to Moss that made the score 34-13.

#### THREE-PLUS TDs IN FOUR STRAIGHT GAMES

Tom Brady became the third player in NFL history to throw three or more touchdowns in each of the first four games of a season. Brady totaled 13 touchdowns through four games. He joined Kurt Warner (1999) and Steve Young (1998) as the only NFL quarterbacks to throw three-plus scoring passes in four straight games to begin a season. Young threw three touchdowns in each of the first five games of the 1998 season and Warner threw three or more in each of the first three games in 1999.

#### **TOUCHDOWN FOR MIKE VRABEL**

Linebacker Mike Vrabel caught his seventh regular-season touchdown pass and his ninth overall touchdown pass (including two in the playoffs) on a 1-yard scoring catch from Tom Brady in the first quarter that gave the Patriots a 10-0 lead. Each of Vrabel's nine career receptions have been for touchdowns – including one in Super Bowl XXXVIII and one in Super Bowl XXXIX. The touchdown reception against Cincinnati was Vrabel's first since Dec. 26, 2005, when he caught two scoring passes against the New York Jets. Including his one career interception return for a touchdown, Vrabel now has totaled eight career regular-season touchdowns – the fourth-highest total in a New England uniform by a current Patriot (trailing only Troy Brown, Kevin Faulk and Benjamin Watson).

#### TWO TOUCHDOWNS FOR MOSS

Randy Moss scored two touchdowns, marking his third straight game with two touchdown catches. Moss is the first Patriots player since 1970 to catch two or more touchdown passes in three consecutive games within the same season. Ben Coates also caught two touchdowns in three straight games, but his streak spanned the 1993 and 1994 seasons (1/2/94, 9/4/94 and 9/11/94).

#### 100-YARD GAME AND TOUCHDOWN FOR MORRIS

Sammy Morris exceeded the 100-yard rushing mark against Cincinnati, totaling 117 yards and a touchdown on 21 carries (5.6 avg.). The 100-yard game was the second of Morris's career; he also broke that barrier on Dec. 10, 2006 while playing for the Miami Dolphins against the Patriots, totaling 123 yards on 25 carries (4.9 avg.). The 100-yard game was the second of the season for the Patriots and the second in as many weeks, with Laurence Maroney totaling 103 yards on 19 carries (5.4 avg.) on Sept. 23 against Buffalo. Last season, the Patriots had just one 100-yard rushing game, and it came in Cincinnati exactly one year ago to the date of Morris's achievement, when Laurence Maroney totaled 125 yards on 15 carries (8.3 avg.).

#### **100 YARDS FOR MOSS**

Randy Moss gained 102 yards on nine receptions, marking his fourth consecutive game with 100 or more yards to begin the 2007 season. Moss became the first player in NFL history to record 100 or more receiving yards in each of his first four games with a new team (rookie or veteran). Moss's 100-yard game was the 50th of his regular season career, tying him with Don Maynard for third on the NFL's all-time list.

#### INTERCEPTION FOR SAMUEL

Asante Samuel intercepted a Carson Palmer pass in the end zone in the final two minutes of the first half, recording his second interception of the season and the 18th interception of his regular-season career. Samuel has also totaled four playoff interceptions for New England. Following his interception against the Bengals, Samuel totaled 11 interceptions in his last 13 regular-season and playoff games, dating back to a three-pick performance against Chicago on Nov. 26, 2006.

#### INTERCEPTION BY RANDALL GAY

Randall Gay intercepted a Carson Palmer pass in the fourth quarter, recording his first interception of the season and his first since 2004. The pick was the third of Gay's career. His last interception came in his rookie season, on Nov. 28, 2004 against the Baltimore Ravens at Gillette Stadium.

#### FIRST SACK FOR ADALIUS THOMAS

Adalius Thomas recorded his first sack in a Patriots uniform when he dropped Carson Palmer for an 8-yard loss on third down in the first quarter. The play ended the Bengals' first drive of the game by forcing a punt on the next play.

#### LONG RUN FOR MORRIS

Sammy Morris had a 49-yard run in the first quarter that gave the Patriots a first-and-goal on the Bengals' 2-yard line, setting up Mike Vrabel's touchdown that gave the Patriots a 10-0 lead. The run was the second longest by a Patriot since Bill Belichick became head coach in 2000, trailing only Corey Dillon's 50-yard gain against the New York Jets at Gillette Stadium on Nov. 12, 2006. The run was the second longest of Morris's 8-year career, trailing only a 55-yard run while playing for the Miami Dolphins on Thanksgiving Day, 2006 at Detroit.

# GAME 5: PATRIOTS 34, BROWNS 17

#### PATRIOTS 34, BROWNS 17

October 7, 2007 \* Gillette Stadium (Att: 68,756)

|----------------------|----|----|---|----|-------------|
| Cleveland Browns     | 0  | 0  | 3 | 14 | <b>—</b> 17 |
| New England Patriots | 10 | 10 | 0 | 14 | — 34        |

The Patriots improved to 5-0 for the third time in team history with a 34-17 victory over the Cleveland Browns at Gillette Stadium. Tom Brady threw three touchdown passes – including two to tight end Benjamin Watson, who recorded his first career 100-yard receiving game and led the team with 107 receiving yards on six receptions. Sammy Morris paced the Patriots' potent ground game with 102 rushing yards on 21 carries. On defense, linebacker Junior Seau intercepted two passes and Asante Samuel added another interception, while Randall Gay scored a touchdown on a fumble recovery as the Patriots took advantage of a plus-four turnover differential and scored 21 points off turnovers.

New England took a 20-0 halftime lead, scoring 14 points off of two Cleveland turnovers. The New England defense ended the Browns' first two drives with interceptions. Seau's first pick of the day came following a Samuel deflection in the end zone, and on Cleveland's next possession, Samuel came up with a pick of his own off of an Adalius Thomas deflection. The interception set up a 34-yard touchdown pass from Brady to Donte' Stallworth on the next play to give the Patriots a 10-0 lead. Stephen Gostkowski's second field goal of the half was followed by Seau's second interception of the day, a play which set up a three-play, 25-yard drive that ended in Watson's first touchdown catch and a 20-0 halftime advantage for New England.

Cleveland got on the board with a third quarter field goal and closed the gap to 20-10 with a touchdown pass on the second play of the fourth quarter. But the Patriots answered the bell as Watson hauled in his second touchdown of the day on the ensuing drive, a 25-yarder that gave the Patriots a 27-10 cushion. Cleveland found the end zone again with just under six minutes to go to cut the Patriots' lead to 27-17 and got the ball back in the final minute on its own 4-yard line. But with 42 seconds left, Randall Gay stripped the Browns' Kellen Winslow, recovered the fumble and ran it 15 yards for a touchdown that gave the Patriots a 34-17 lead.

#### 100-YARD RECEIVER FOR FIFTH STRAIGHT GAME

With Benjamin Watson's 107-yard receiving day against the Browns, the Patriots had a 100-yard receiver for the fifth consecutive game, setting a new team record. The previous team record was four straight games with a 100-yard receiver — from Nov. 23 to Dec. 21, 1975, when Russ Francis, Randy Vataha, Don Calhoun and Andy Johnson each broke the 100-yard mark one time in a four-game span. In addition to Watson's 100-yard game against the Browns, Randy Moss exceeded the 100-yard mark in each of the first four games of the 2007 season.

#### **MORRIS BREAKS 100 YARDS AGAIN**

With Sammy Morris' 102-yard effort, the Patriots had a 100-yard rusher for the third consecutive game, marking the first time since 1995 that the Patriots have achieved that feat. Against Cleveland, Morris gained 102 yards on 21 carries (4.9 avg.), marking his second consecutive 100-yard game and the third 100-yard game of his eight-year career.

#### **SCORING STREAK**

Prior to being shut out in the third quarter against Cleveland, the Patriots scored points in each of their first 18 quarters of play this season and scored in 37 consecutive quarters dating back to last season (including regular season and playoff games). The Patriots' streak of scoring points in 18 consecutive quarters to begin the season is the longest to begin an NFL season since the 2000 St. Louis Rams scored in their first 24 quarters of the year. After being shut out 21-0 against the Miami Dolphins on Dec. 10, 2006, the Patriots scored in 41 of 42 quarters, with that streak ending in the third quarter against the Browns.

#### **WATSON SETS CAREER HIGHS**

Benjamin Watson totaled a career-high 107 receiving yards, marking the the first 100-yard game of his career. He also caught two touchdown passes against Cleveland, recording the second multiple-touchdown game of his career and bringing his 2007 total to a career-high five touchdown receptions. His previous season-best was four touchdowns, achieved in the 2005 season. Watson scored touchdowns in four of the Patriots' first five games this season and reached the end zone seven times in nine regular-season games dating back to November 2006.

#### TWO INTERCEPTIONS FOR SEAU

Junior Seau intercepted two passes in the first half – picking off a Derek Anderson pass in the end zone in the first quarter that was deflected by Asante Samuel and snaring an Anderson pass in the second quarter that had been tipped by Mike Vrabel. The interceptions were the 16th and 17th of Seau's 18-year career and marked his first interceptions since Sept. 15, 2002, when he picked off a pass by Houston's David Carr while playing for the San Diego Chargers. The interceptions marked Seau's third career multiple-interception game and his first in 11 seasons. He also picked off a pair of passes on Sept. 19, 1993 against the Houston Oilers and on Sept. 29, 1996 against the Kansas City Chiefs.

#### RANDALL GAY TOUCHDOWN RETURN

Randall Gay stripped Cleveland's Kellen Winslow, recovered the fumble and ran 15 yards to the end zone for his second career fumble return for a touchdown. The play came on the first forced fumble of Gay's career and was his third career fumble recovery. The only other touchdown of Gay's career also came against Cleveland, when he scooped up a William Green fumble caused by Richard Seymour and raced 41 yards to the end zone on Dec. 5, 2004 in Cleveland.

#### TWO SACKS FOR BRUSCHI

Tedy Bruschi tied his career high with two sacks against Cleveland, raising his career sack total to 30.5 sacks. He is the 13th player in Patriots history to record 30 or more sacks in a New England uniform. His two sacks tie his single-game careerhigh with 2.0 sacks, tying his totals on Dec. 17, 2005 against Tampa Bay and Oct. 6, 1996 at Baltimore. He also had 2.0 sacks in Super Bowl XXXI against Green Bay on Jan. 26, 1997. The Patriots improved to 24-2 when Bruschi totals at least one sack.

#### STALLWORTH SCORES

Donte' Stallworth hauled in a 34-yard touchdown pass from Tom Brady in the first quarter to give the Patriots a 10-0 lead. The touchdown catch was Stallworth's first in a Patriots uniform and was the 29th scoring grab of his regular-season career.

# GAME 6: PATRIOTS 48, COWBOYS 27

#### PATRIOTS 48, COWBOYS 27

October 14, 2007 \* Texas Stadium (Att: 63,984)

|                      | 1  | 2  | 3  | 4  | Final       |
|----------------------|----|----|----|----|-------------|
| New England Patriots | 14 | 7  | 10 | 17 | <b>—</b> 48 |
| Dallas Cowboys       | 0  | 17 | 7  | 3  | <b>—</b> 27 |

The Patriots defeated the 5-0 Dallas Cowboys, 48-27, in just the fifth matchup in the NFL's 88-year history between teams that were unbeaten with five or more victories. Tom Brady tied a franchise record with a career-high five touchdown passes, while Wes Welker set career highs with 11 receptions for 124 yards and two touchdowns as the Patriots put up their highest point total since 1984. New England outgained Dallas 448-283 and totaled 28 first downs to the Cowboys' 13. The Patriots converted 65 percent of their third-down opportunities (11-17), while holding Dallas to just 36 percent (4-11).

The Patriots took a 14-0 lead on first-quarter touchdown receptions by Welker and Randy Moss. Dallas quickly closed the gap to 14-10 early in the second quarter, as a Nick Folk field goal got Dallas on the scoreboard and then a 29-yard fumble return for a touchdown by Jason Hatcher got the Cowboys into the end zone for the first time. On their first possession following the Dallas's defensive score, the Patriots proceeded to drive 72 yards in 12 plays and extend their lead to 21-10 on Welker's second touchdown of the day. But a 12-yard touchdown from Tony Romo to Terrell Owens in the final minute of the half cut New England's lead at the interval to 21-17.

The Patriots got the ball to start the second half, but it was the Cowboys that scored first, taking a 24-21 lead with 10:20 left in the third quarter on a touchdown catch by Patrick Crayton. But following that score, the Patriots bore down and outscored Dallas 27-3 the rest of the way to roll to victory. Tom Brady's touchdown pass to Kyle Brady allowed the Patriots to retake the lead, 28-24, with 4:56 remaining in the third quarter, and a Stephen Gostkowski field goal on the Patriots' next drive extended the lead to 31-24 heading into the final quarter. A 69-yard scoring pass from Brady to Donte' Stallworth gave New England a 38-24 lead before the teams traded field goals to make the score 41-27. On New England's final drive, rookie Kyle Eckel rumbled into the end zone for a 1-yard touchdown on fourth down with 19 seconds left to round out the scoring and raise the Patriots' record to 6-0.

#### **BRADY TIES SINGLE-GAME TD MARK**

In his 100th career start, Tom Brady set a career high with five touchdown passes – tying the Patriots single-game franchise record – only to eclipse the mark with a team-record six scoring strikes the next week against Miami. Brady became the first New England player to achieve the feat since Steve Grogan on Sept. 9, 1979. Vito "Babe" Parilli also threw five touchdowns in a game for the Patriots on two occasions – on Oct. 15, 1967 and on Nov. 15, 1964. Brady had previously thrown four touchdown passes in a game on six occasions, most recently on Sept. 23, 2007 against Buffalo.

### BRADY: HIGHEST NON-OVERTIME YARDAGE TOTAL

Tom Brady totaled 388 passing yards against Dallas, marking the second highest total of his career. His yardage total against the Cowboys trails only his career-high 410 yards in an overtime game against Kansas City on Sept. 22, 2002. Brady's 388 yards against Dallas stand as the highest non-overtime total of his career. Brady was 31-for-46 on the day, and his 31 completions are his highest in more than a year, dating back to when he also completed 31 passes against Denver on Sept. 24, 2006.

#### BRADY MOVES INTO SECOND ON FRANCHISE LIST

Tom Brady's five touchdown passes raised his season total to 21 touchdown passes and his career total to 168 touchdown passes. With his fourth touchdown of the day – a 1-yarder to Kyle Brady in the third quarter – Tom Brady passed Drew Bledsoe (166 touchdown passes) for second place on the Patriots' all-time list. Steve Grogan is the Patriots' all-time leader with 184 touchdown passes. Brady's 21 touchdown passes this season mark the sixth consecutive season he has exceeded 20 touchdown passes. Brady's six straight seasons with 20 or more touchdown passes is the longest streak in Patriots history, topping Drew Bledsoe's three straight years with 20 or more touchdown passes from 1996-98. Brady's single-season career high is 28 touchdown passes, achieved in 2002 and 2004. Last season, Brady totaled 24 touchdown passes.

#### SEAU SETS CAREER HIGH FOR INTERCEPTIONS

With his fourth-quarter interception of Tony Romo, Junior Seau set a new single-season career high with his third interception of the season.

#### **FAULK MOVES INTO TOP TEN**

With his 50 rushing yards against the Cowboys, Kevin Faulk moved into 10th place on the Patriots' all-time rushing list, passing Craig James's total of 2,469 yards from 1984-88. Faulk finished the game with 2,498 rushing yards for the Patriots.

#### MOSS SCORES EIGHTH TD OF 2007

Randy Moss gave the Patriots a 7-0 lead on a 6-yard touchdown reception from Tom Brady on the Patriots' opening drive of the game. The touchdown was Moss's eighth of the season, making him the first Patriot since Ben Coates in 1997 to have eight or more scoring catches in a single season.

#### **BRADY-TO-BRADY TOUCHDOWN**

Kyle Brady hauled in a 1-yard touchdown pass from Tom Brady to give the Patriots a 28-24 lead with 4:56 remaining in the third quarter. The touchdown pass was Tom Brady's fourth of the day and was his 20th of the season. For Kyle Brady, the touchdown was his first of the season and his first in a New England uniform after joining the team as a free agent in the offseason. Kyle Brady's last touchdown came on Nov. 20, 2005 while playing for the Jacksonville Jaguars at Tennessee. The score raised Kyle Brady's career touchdown total to 23, achieved with the New York Jets (1995-98), Jaguars (1999-2006) and Patriots (2007).

#### **QUICK HITS**

- Fullback Kyle Eckel scored his first career touchdown, on a 1yard run in the fourth quarter that made the score 48-24.
- > The Patriots converted 11-of-17 third-down chances, totaling a 65 percent conversion rate.
- > Vince Wilfork tackled Julius Jones in the backfield for a 1-yard loss on first down in the first quarter.

#### GOSTKOWSKI'S SUCCESS STREAK

Stephen Gostkowski nailed a 45-yard field goal in the third quarter to give the Patriots a 31-24 lead and hit a 22-yarder in the fourth quarter to extend New England's lead to 41-27. He has hit nine of his 10 field goal attempts this season (90.0 percent) and has nailed 30 of his last 33 attempts (90.9 percent) dating back to Nov. 5, 2006, including a perfect 8-for-8 performance in last season's playoffs.

# GAME 7: PATRIOTS 49, DOLPHINS 28

#### PATRIOTS 49, DOLPHINS 28

October 21, 2007 \* Dolphin Stadium (Att: 71,951)

|                      | 1  | 2  | 3 | 4  | Final       |
|----------------------|----|----|---|----|-------------|
| New England Patriots | 14 | 28 | 0 | 7  | <b>—</b> 49 |
| Miami Dolphins       | 0  | 7  | 0 | 21 | <b>—</b> 28 |

The Patriots improved to a franchise-best 7-0 with a 49-28 road victory over the Dolphins. Tom Brady set a new franchise record with six touchdown passes and compiled a perfect 158.3 passer rating - the first time in team history that a Patriots passer had achieved the feat - as the Patriots recorded the sixth-highest point total in team history. New England led 42-7 at halftime and won in Miami for just the second time in team history during the months of September or October.

The Patriots took a quick 14-0 lead just over 10 minutes into the game courtesy of touchdown passes from Tom Brady to Donte' Stallworth and Kyle Brady. Miami broke onto the scoreboard with a touchdown on the first play of the second quarter, but New England's Willie Andrews returned the ensuing kickoff 77 yards for a touchdown to halt Miami's momentum. Brady threw three second-quarter touchdown passes - two to Randy Moss and one to Wes Welker – to give the Patriots a 42-7 lead. After a scoreless third quarter, the Dolphins scored three fourth-quarter touchdowns making the final score 49-28.

#### SINGLE-HALF SCORING RECORD

The Patriots scored 42 points in the first half, marking the highest point output in any half in franchise history. The previous single-half record was 41 points, achieved on Oct. 29, 1978 in the first half of the Patriots' 55-21 victory over the New York Jets at Schaefer Stadium. New England led that game 41-7 at halftime and led the Dolphins 42-7 at the half.

#### **BRADY: PERFECT PASSER RATING**

Tom Brady achieved a perfect passer rating of 158.3, completing 21-of-25 passes for 354 yards and six touchdowns with no interceptions. The perfect passer rating topped Brady's previous career high of 150.9, achieved on Sept. 23, 2007 against Buffalo.

#### **BRADY: FRANCHISE-RECORD SIX TD PASSES**

Tom Brady threw six touchdown passes, setting a new singlegame franchise record and becoming the first NFL player to throw six touchdowns in a game since Peyton Manning did it on Nov. 25, 2004. The Patriots' previous single-game record was five touchdown passes, achieved four times, most recently by Brady on Oct. 14 against the Dallas Cowboys. Steve Grogan also had five touchdown passes on Sept. 9, 1979 and Vito "Babe" Parilli did it on two occasions - on Oct. 15, 1967 and on Nov. 15, 1964. Brady is the first NFL player to have five or more touchdowns in consecutive games since 2004, when Daunte Culpepper threw five touchdowns on Oct. 10, 2004 and on Oct. 17, 2004.

#### MOSS SCORES TWO

Randy Moss caught first-half touchdown passes of 35 and 50 yards, giving him 10 touchdowns this season and making him the first Patriot to catch 10 or more touchdowns in a single season since Stanley Morgan in 1986. The two-touchdown game was Moss's fourth of the season and raised his career total to 111 touchdown receptions.

#### RANDALL GAY INTERCEPTION

Randall Gay intercepted a Cleo Lemon pass in the end zone in the third quarter, recording his second interception of the season and the fourth interception of his career. Gay also picked off Cincinnati's Carson Palmer on Oct. 1.

#### **WELKER SCORES TWO**

Wes Welker caught two touchdown passes against his old team. marking his second consecutive game with two touchdown receptions. Welker hauled in a 14-yard touchdown pass from Tom Brady with 25 seconds remaining in the first half to make the score 42-7 and caught a 16-yard touchdown in the fourth quarter to make the score 49-21. The touchdowns were Welker's fourth and fifth of the season and raised his career total to six. Last week against Dallas, Welker had his first career twotouchdown game.

#### WILLIE ANDREWS KICKOFF RETURN FOR TD

Willie Andrews returned a kickoff 77 yards for a touchdown in the second quarter to give the Patriots a 21-7 lead. The touchdown came on Andrews's second career kickoff return, with his only previous kickoff return coming on Oct. 1 at Cincinnati. The kickoff return for a touchdown was the second of the season for the Patriots, with Ellis Hobbs returning a kickoff 108 yards for a touchdown on Sept. 9 against the New York Jets. This season marks the second time in team history and the first time since 1961 that the Patriots have had two different players return a kickoff for a touchdown in the same season. In 1961, Ron Burton and Larry Garron each returned kickoffs for touchdowns during the second season in franchise history.

#### STRONG START

Tom Brady completed each of his first 11 pass attempts of the game for 220 yards and four touchdowns, good for a perfect 158.3 passer rating. His first incompletion of the game was thrown away under pressure with 5:23 left in the first half. Brady had a perfect 158.3 rating at halftime, completing 16-of-19 passes for 291 yards and five touchdowns.

#### STALLWORTH SCORES AGAIN

Donte' Stallworth gave the Patriots a 7-0 lead with a 30-yard touchdown catch from Tom Brady to cap off the Patriots' opening drive. The touchdown reception was Stallworth's third of the season and marked his third consecutive game with a scoring catch. Against Miami, Stallworth spun around a pair of defenders on the way to the end zone as he gained 25 yards after the catch. He caught a touchdown of 30 or more yards for the third week in a row - he also caught a 34-yard score against Cleveland on Oct. 7 and hauled in a 69-yarder against Dallas on Oct. 14.

#### BRADY-TO-BRADY FOR SECOND STRAIGHT WEEK

Tom Brady lofted a 2-yard touchdown toss to tight end Kyle Brady with 4:28 remaining in the first quarter to give the Patriots a 14-0 lead. The touchdown reception was Kyle Brady's second of the season and was the 25th of his career. Kyle Brady also scored against Dallas on Oct. 14 and has scored touchdowns in back-to-back games for the second time in his 13-year NFL career. He also caught touchdowns in consecutive contests in 2002 while playing for the Jacksonville Jaguars.

#### **QUICK HITS**

- Junior Seau sacked Cleo Lemon on the final play of the game, raising his career sack total to 54.0.
- The Patriots have outscored opponents 72-7 in the first quarter this season.
- Quarterback Matt Gutierrez made his NFL debut, completing his only pass of the day to Donte' Stallworth for a 15-yard gain in the fourth quarter.

The Patriots improved to 8-0 with a 52-7 win over the Washington Redskins at Gillette Stadium. Tom Brady accounted for five touchdowns (three passing and two rushing), as the Patriots posted their highest point total since 1979. Mike Vrabel led the way defensively, tying his career-high with 3.0 sacks, with each one causing a fumble that was recovered by the Patriots and converted into points. Vrabel also caught a touchdown pass while lined up as a goal-line tight end. Rosevelt Colvin scooped up one of Vrabel's forced fumbles and ran 11 yards to the end zone for his first career touchdown, while Asante Samuel also was a defensive standout, recording his 20th career interception. Laurence Maroney averaged 5.4 yards per carry, totaling 75 yards while toting the ball 14 times. Wes Welker and Randy Moss each caught touchdown passes for New England, and backup quarterback Matt Cassel scored his first career rushing touchdown in the fourth quarter.

New England scored the only touchdown of the first quarter when Brady plunged into the end zone from three yards out to cap off a 14-play, 90-yard drive to give the Patriots a 7-0 advantage. In the second quarter, Vrabel's scoring grab gave New England a 14-0 lead, and three plays later, he forced a Washington fumble that the Patriots recovered and turned into a 36-yard field goal that made the score 17-0. Washington's next two possessions were also ended by turnovers, with Samuel's interception halting one drive and Vrabel's second strip-sack of the quarter stopping another and setting up a Brady-to-Moss touchdown that gave New England a 24-0 halftime lead.

In the second half, the Patriots for the ball and marched 85 yards in 13 plays to take a 31-0 advantage on Brady's second rushing score of the day. On the ensuing drive, Vrabel's third strip-sack caused a loose ball that was picked up by Colvin and returned for a touchdown to give New England a 38-0 lead. A fourth-down stop by the Patriots defense then set up an 88-yard drive that ended when Brady found Welker for his third touchdown toss of the day, giving the Patriots a 45-0 lead. After a three-and-out by the New England defense, backup quarterback Matt Cassel directed a 6-play, 45-yard drive that ended in a 15-yard touchdown run and a 52-0 lead. Washington reached the end zone on its next possession to round out the scoring.

#### **EIGHT STRAIGHT GAMES WITH 34+ POINTS**

The Patriots have become just the second team in NFL history to score at least 34 points in each of its first eight games of a season, joining the 2000 St. Louis Rams. The Patriots have scored 38, 38, 38, 34, 34, 48, 49 and 52 points in their eight games this season, for a total of 331 points. The 2000 Rams scored 41, 37, 41, 57, 45, 34 and 34 points in their first eight games, for a total of 330 points. In their ninth game of the 2000 season, the Rams scored 24 points in a 27-24 loss to Carolina (Nov. 5, 2000).

#### **OFFENSIVE OUTPUT IN CONTEXT**

The Patriots scored 52 points against Washington, tying the third highest single-game point total in team history. The 52 points was New England's highest total since Sept. 9, 1979, when they scored a franchise-record 56 points in a 56-3 win over the New York Jets. New England scored 55 points in a 55-21 win over the Jets on Oct. 29, 1978, and also scored 52 points in a 52-21 win over Buffalo on Oct. 22, 1961. The Patriots' 45-point margin of victory over the Redskins is the second largest victory margin in team history, trailing only a 53-point victory over the Jets on Sept. 9, 1979 (56-3).

#### SINGLE-GAME RECORD: MOST FIRST DOWNS

The Patriots gained 34 first downs against Washington on Oct. 28, setting a new franchise record for most first downs in a single game. The previous single-game team record was 32 first downs, achieved on Dec. 11, 2005 in a 35-7 win at Buffalo. In their 52-7 win over Washington, the Patriots gained 13 first downs rushing and 21 first downs passing.

#### **BRADY TIES NFL MARK**

With three touchdown passes against the Redskins, Tom Brady has thrown for at least three touchdowns in all eight games this season, tying the NFL record for consecutive games with three or more touchdown passes. Peyton Manning also threw for three or more touchdown passes in eight consecutive games in 2004.

### BRADY SETS NEW CAREER HIGH WITH 30 TOUCHDOWN PASSES IN 2007

Tom Brady threw three touchdown passes against Washington and ran for two more touchdowns. His three touchdown passes raised his season total to 30, a number that represents a new career high and is the second highest single-season total in team history, trailing only Vito "Babe" Parilli's franchise-record total of 31 touchdowns in 1964. Brady's previous career-high was 28 touchdown passes (2002, 2004). He set a new single-season career high when he threw his second touchdown of the day and his 29th of the season – a 6-yard strike to Randy Moss.

#### **VRABEL SCORES 10th TOUCHDOWN**

Linebacker Mike Vrabel caught his eighth regular-season touchdown pass and his 10th overall touchdown pass (including two in the playoffs) on a 2-yard scoring catch from Tom Brady in the second quarter that gave the Patriots a 14-0 lead. Vrabel also caught a touchdown pass on Oct. 1 at Cincinnati, and has tied his single-season career high with two touchdown catches.

#### **VRABEL: THREE STRIP-SACKS**

Mike Vrabel recorded three strip-sacks against the Redskins, all of which created fumbles that were recovered by the Patriots. His third strip-sack of the day caused a fumble that was picked up by Rosevelt Colvin and returned 10 yards for a touchdown. Vrabel's three sacks tie his single-game career-high, also achieved on Oct. 26, 2003 against Cleveland. He is the first Patriot to record three or more sacks in a game since Jarvis Green had three on Oct. 1, 2006 at Cincinnati. Vrabel's three strip-sacks against Washington set up 17 points off turnovers, with his first strip-sack setting up a field goal drive that gave the Patriots a 17-0 lead, his second setting up a touchdown drive that gave the Patriots a 24-0 lead.

#### **BRADY SCORES TWO RUSHING TOUCHDOWNS**

Tom Brady scored two rushing touchdowns against Washington, setting a new single-game and single-season career high. Brady had three career regular-season rushing touchdowns heading into the game – one in each of the 2002, 2003 and 2005 seasons. Brady is the first Patriot to rush for two or more touchdowns in a game since Corey Dillon did it in the 2006 regular-season finale on Dec. 31, 2006. The last Patriots quarterback to run for two or more touchdowns in a game was Tony Eason, who did it on Oct. 14, 1984 against Cincinnati. Combined with Matt Cassel's touchdown run in the fourth quarter, the Redskins game marked the first time in team history that Patriots quarterbacks had scored three touchdowns in a game.

#### **RECORD PERFORMANCE**

With the Patriots' victory over Washington, Tom Brady has now defeated each of the 31 teams (besides New England) as a starting quarterback. Entering the Redskins game, Washington was the only team against which the Patriots had not won with Brady as a starting quarterback.

| Indianapolis Colts   | 3 | 10 | 0 | 7  | <b>—</b> 20 |

The Patriots improved to 9-0 entering their bye week after rebounding from a 20-10 fourth-quarter deficit to beat the previously-undefeated Indianapolis Colts on the road, 24-20. In the first matchup of undefeated teams with seven or more wins in the 88-year history of the NFL, the Patriots scored two touchdowns in the last eight minutes of the game to avenge their loss to Indianapolis in the 2006 AFC Championship Game and enter their bye week with a hard-fought victory.

#### **BRADY SETS FRANCHISE TD PASS MARK**

With three touchdown passes against the Colts, Tom Brady raised his season total to 33 touchdown passes, setting a new franchise record and passing Vito "Babe" Parilli's previous record of 31 touchdown passes in 1964. Brady tied the record with a 4-yard scoring strike to Randy Moss in the second quarter and set a new record with his 32nd scoring pass of the season, a 3-yard strike to Wes Welker in the fourth quarter. Parilli threw his 31 touchdown passes for the Boston Patriots during the 14-game American Football League season. Brady reached 33 passes in the ninth game of the season.

#### BRADY SETS RECORD FOR CONSEC. 3+ TD GAMES

Tom Brady threw three touchdown passes against Indianapolis, setting an NFL record with his ninth straight game with three or more touchdown passes. He broke the old record of eight consecutive games, set by Peyton Manning in 2004.

#### **BRADY LEADS 25th CAREER COMEBACK**

Tom Brady led the Patriots to victory following a 20-10 fourth-quarter deficit, marking the 25th time in his career that he has led the Patriots to a win following a fourth-quarter deficit or tie. He accomplished the feat for the 19th time in the regular season and has also done it six times in the playoffs (including three times in the Super Bowl. The comeback against the Colts marked the Patriots' fourth comeback from a deficit of 10 or more points with Brady at the helm and the second one that was won in regulation time. The last time Brady led a comeback of 10 or more points was on Dec. 29, 2002, when the Patriots defeated the Miami Dolphins 27-24 in overtime after trailing 24-13 with 4:59 remaining in regulation.

#### MOSS TIES FRANCHISE RECEIVING TD RECORD

Randy Moss hauled in a 4-yard touchdown pass from Tom Brady in the second quarter to give the Patriots a 7-3 lead. The touchdown was Moss's 12th receiving touchdown of the season, tying the Patriots' single-season franchise record also achieved by Stanley Morgan in 1979. On the same touchdown pass where Moss tied the record, Tom Brady tied Babe Parilli's 1964 mark with his 31st touchdown toss of the year.

#### **DEFENSE BEARS DOWN**

In what turned out to be crucial plays in a four-point Patriots win, the New England defense clamped down and held the Colts to a field goal on two occasions in the first half after long pass interference penalties gave the Colts a first-and-goal from inside the 10-yard line. In the first quarter, a 37-yard penalty gave Indianapolis a first-and-goal from the 9-yard line, but Asante Samuel's pass deflection in the end zone on third down kept Indianapolis out of the end zone and forced a 21-yard field goal by the Colts. In the second quarter, a 40-yard penalty gave the Colts a first-and-goal from the six-yard line, but Randall Gay stuffed Dallas Clark on third down for a 2-yard loss on a pass play that once again kept the Colts out of the end zone and forced a 25-yard field goal.

#### **GREEN MACHINE**

Jarvis Green strip-sacked Peyton Manning with 2:30 remaining in the game on third-and-nine at the Colts' 49-yard line with New England holding a 24-20 lead. Rosevelt Colvin recovered the fumble, giving the Patriots possession at the Indianapolis 46-yard line and ending Indianapolis' bid for a potential go-ahead score. The sack was Green's fourth of the season and raised his career total to 22.5 sacks. It was his first forced fumble of the season and was the seventh forced fumble of his career.

#### FAULK SCORES FIRST TD OF THE SEASON

Kevin Faulk scored his first touchdown of the season on a 13-yard reception from Tom Brady that gave the Patriots a 24-20 lead with 3:15 remaining in the game. The touchdown was the 24th of Faulk's career and was his 11th career touchdown reception.

#### **SEYMOUR TIPS FIELD GOAL**

Richard Seymour tipped Adam Vinatieri's 50-yard field goal attempt in the first quarter, getting his fingertips on the ball and forcing Vinatieri's first career miss in the RCA Dome. In his seven-year career, Seymour has blocked five career field goals in the regular season and one in the playoffs. Heading into the game, Vinatieri was 55-for-57 on indoor field goal attempts in the regular season, with his only two misses coming at Houston's Reliant Stadium on Nov. 23, 2003 while playing for the Patriots against the Houston Texans.

#### **MOSS CATCHES 55-YARD PASS**

Randy Moss hauled in a 55-yard pass in the fourth quarter that gave the Patriots a first-and-goal at the Colts' 3-yard line and set up a touchdown that cut New England's deficit to 20-13. The catch was Moss's longest of the season and his longest since Oct. 2, 2005, when he grabbed a 79-yard pass while playing for the Oakland Raiders against the Dallas Cowboys. Moss's 55-yard grab was the second longest by a Patriots player this season, trailing only Donte Stallworth's 69-yard touchdown reception at Dallas on Oct. 14.

#### QUICK HITS

- > Tom Brady improved his career record as a starter (including playoffs) to... 27-5 in games decided by six points or fewer, 31-2 on artificial turf and 11-1 in games played indoors.
- Rosevelt Colvin sacked Peyton Manning on third down in the fourth quarter, causing a fumble (the Colts recovered) and forcing an Indianapolis punt on the ensuing play.
- ➤ The Patriots were penalized a total of 146 yards on 10 penalties, setting a new single-game franchise record for penalty yards. The previous record was 139 penalty yards against Buffalo on Nov. 6, 1983.

#### **WELKER'S 35-YARD PUNT RETURN**

Wes Welker's 35-yard punt return in the third quarter was the longest by a Patriots player this season and the longest since Chad Jackson returned a punt 39 yards at Tennessee on Dec. 31, 2006. For Welker, it was his longest punt return since bringing one back 47 yards while playing for Miami in the 2006 regular-season opener on Sept. 7, 2006 at Pittsburgh.

#### INTERCEPTION-FREE STREAK BROKEN

Tom Brady threw an interception to Indianapolis' Antoine Bethea in the second quarter, ending a streak of 175 pass attempts without an interception. His 175 passes without a pick are the longest streak of Brady's career and are four shy of the franchise record of 179 passes without an interception, achieved by Drew Bledsoe in 1995. During Brady's 175-pass streak without an interception, he threw 20 touchdown passes. Prior to Bethea's interception, the last time Brady had thrown a pick was on Oct. 1, when Cincinnati's Leon Hall picked off one of his passes in the second quarter.

# GAME 10: PATRIOTS 56, BILLS 10

#### PATRIOTS 56, BILLS 10

November 18, 2007 ★ Ralph Wilson Stadium (Att: 71,338)

|                      | 1  | 2  | 3 | 4  | Final       |
|----------------------|----|----|---|----|-------------|
| New England Patriots | 14 | 21 | 7 | 14 | <b>—</b> 56 |
| Buffalo Bills        | 7  | 0  | 3 | 0  | — 10        |

The Patriots tied their single-game franchise scoring record in a 56-10 victory over the Buffalo Bills in Orchard Park, N.Y. Randy Moss's franchise-record four touchdown receptions led the way for the Patriots offensively as New England totaled 510 total net yards – its highest total since 1979. New England scored touchdowns on each of its first seven offensive possessions.

The Patriots got on the board first, when an interception by Randall Gay set up a 2-play, 13-yard drive that ended in Laurence Maroney's first touchdown run of the season and a 7-0 New England lead. The Patriots extended their lead to 14-0 with 8:04 left in the first quarter when Tom Brady hit Moss for a 43-yard score. The Bills responded by marching 82 yards on eight plays to cut the lead to 14-7 on a 47-yard touchdown pass from J.P. Losman to Roscoe Parrish. But on the first play of the second quarter, the Patriots struck again when Brady found Moss for a 16-yard score and a 21-7 Patriots lead. Moss added two more touchdown catches in the quarter to give New England a 35-7 halftime advantage.

The Patriots got the ball to begin the second half and marched 73 yards in 12 plays to take a 42-7 lead on a Brady touchdown pass to Benjamin Watson. A 52-yard field goal by Buffalo's Rian Lindell made the score 42-10 entering the fourth quarter. The Patriots raised their advantage to 49-10 on a 1-yard run by rookie Kyle Eckel on the first play of the final quarter. Two plays later, James Sanders forced Buffalo receiver Dwayne Wright to fumble and Ellis Hobbs scooped up the loose ball and ran 35 yards for a touchdown and a 56-10 Patriots advantage.

### PATRIOTS TIE FRANCHISE SINGLE-GAME SCORING RECORD

With 56 points against the Bills, the Patriots tied the highest single-game point total in franchise history, equaling the 56 points scored in a 56-3 victory over the New York Jets on Sept. 9, 1979. Of the 10 highest-scoring games in the Patriots franchise's 718-game history, four have come this season — a 52-7 win over Washington (10/28/07), a 49-28 win over Miami (10/21/07) and a 48-27 win over Dallas (10/14/07), in addition to the 56-10 victory over Buffalo. New England's 46-point margin of victory over the Bills is the second largest in franchise history, trailing only their 53-point margin in their 56-3 win over the Jets in 1979.

### BRADY BREAKS 3,000-YARD MARK FOR THE SEASON

Tom Brady eclipsed the 3,000-yard passing plateau, finishing the Buffalo game with 3,056 yards while completing 250-of-338 passes (74.0 percent) for 38 touchdowns and four interceptions. Brady broke the 3,000-yard mark for the sixth straight season. He threw for a career-high 4,110 yards in 2005.

### RANDALL GAY RECORDS THIRD INTERCEPTION OF THE SEASON

Randall Gay recorded his third interception of the season when he picked off a J.P. Losman pass on the Bills' fourth offensive play of the game and returned it 21 yards to Buffalo's 13-yard line. The interception set up a two-play touchdown drive that ended in a 6-yard scoring run by Laurence Maroney and a 7-0 Patriots lead. Gay's three interceptions tied Junior Seau for the second highest total on the team. Gay's three interceptions established a new career high, topping his two interceptions as a rookie in 2004. Gay's interception against Buffalo raises his career total to five interceptions.

#### WATSON GRABS SIXTH TOUCHDOWN OF SEASON

Benjamin Watson caught his sixth touchdown pass of the season, a 3-yard scoring grab from Tom Brady to give the Patriots a 42-7 lead. The touchdown catch was Watson's first since Oct. 7, when he had two scoring catches in a victory over Cleveland. Watson's six touchdown receptions are a single-season career high, topping his four scoring grabs in 2005. Watson's six touchdown catches are the most by a Patriots tight end since Daniel Graham had seven scoring grabs in 2005.

#### WELKER SETS SINGLE-SEASON CAREER HIGH

With his seventh catch of the night – a 24-yard reception in the third quarter – Wes Welker set a new single-season career high with his 68th reception of the season. Welker's previous career high was 67 receptions, achieved in 2006 with the Miami Dolphins.

#### **MARONEY REACHES END ZONE**

Laurence Maroney scored his first touchdown of the season on a 6-yard run in the first quarter to give the Patriots a 7-0 lead. The touchdown was Maroney's first since Dec. 31, 2006, when he scored on a 1-yard run at Tennessee in the 2006 regular-season finale. His touchdown against the Bills was the eighth touchdown of Maroney's career (7 rush, 1 rec.).

#### **HOBBS SCORES ON FUMBLE RECOVERY**

Ellis Hobbs caught a loose ball forced by James Sanders in the fourth quarter and returned the fumble 35 yards for a touchdown to give the Patriots a 56-10 lead. The touchdown was the third of Hobbs's career, joining two kickoff returns for touchdowns – one in 2007 and one in 2006. Hobbs's touchdown was the fourth defensive touchdown of the season for the Patriots, joining an interception return by Adalius Thomas (9/16), a fumble return by Randall Gay (10/7) and a fumble return by Rosevelt Colvin (10/28).

#### **JACKSON AND JACKSON DEBUT**

Wide receiver Chad Jackson and cornerback Eddie Jackson both played in their first game of the 2007 season. Both players spent the first nine games of the season on the reserve/PUP list.

#### 10 RECEPTIONS FOR MOSS

Randy Moss set a season high with 10 receptions against Buffalo. Moss's 10 receptions mark the ninth game of his career with 10 or more receptions. The last time Moss had 10 or more receptions in a game was on Nov. 30, 2003, when he caught 10 passes for 160 yards and a touchdown for the Minnesota Vikings at St. Louis.

#### **VRABEL RAISES SEASON TOTAL TO 9.5 SACKS**

Mike Vrabel was credited with a zero-yard sack of J.P. Losman in the first quarter. The sack raised Vrabel's team-high season total to 9.5 sacks, tying his single-season career high, also achieved in 2003. Vrabel's 9.5 sacks tie the highest total by a Patriots player since Willie McGinest had 11.0 sacks in 1995. Since then, a Patriot has totaled 9.5 sacks four times: Vrabel (2003, 2007), McGinest (1996, 2004).

### THOMAS SETS SINGLE-GAME CAREER HIGH WITH 2.5 SACKS

Adalius Thomas recorded 2.5 sacks in the first half against the Bills, setting a new single-game career high and recording his fourth career game with at least two sacks. Thomas sacked J.P. Losman for a 9-yard loss in the first quarter and later dropped Losman for a 6-yard loss in the second quarter. He then teamed with Tedy Bruschi to drop Losman for a 7-yard loss in the second quarter. The sacks raise Thomas's season total to 3.0 sacks and his career total to 41.5 sacks. Thomas is the fifth player to record 2.0 or more sacks in a game for the Patriots this season, joining Mike Vrabel (twice), Rosevelt Colvin, Tedy Bruschi and Jarvis Green.

# GAME 11: PATRIOTS 31, EAGLES 28

#### **PATRIOTS 31, EAGLES 28**

November 25, 2007 ★ Gillette Stadium (Att: 68,756)

|                      | 1  | 2  | 3 | 4 | Final       |
|----------------------|----|----|---|---|-------------|
| Philadelphia Eagles  | 7  | 14 | 7 | 0 | <b>—</b> 28 |
| New England Patriots | 14 | 10 | 0 | 7 | — 31        |

The Patriots rallied from a 28-24 fourth-quarter deficit to improve to 11-0 on the season with a 31-28 win over the Philadelphia Eagles. New England embarked on a 10-play, 69-yard game-winning drive that ended in Laurence Maroney's 4-yard touchdown run to give the Patriots a 31-28 lead with 7:20 remaining in the game – a lead they did not relinquish.

Wes Welker set career highs with 13 receptions for 149 yards to pace the Patriots offense, while Asante Samuel's two interceptions – one of which was returned for a touchdowns and the other of which came in the end zone in the fourth quarter – led the Patriots defense. Maroney and Heath Evans added rushing touchdowns while Jabar Gaffney caught a touchdown pass from Tom Brady to round out the Patriots' scoring.

#### PATRIOTS SET TEAM RECORD WITH 442 POINTS

With 31 points in their victory over the Eagles, the Patriots have set a new franchise-record with 442 points in the 2007 season. New England topped the old team mark of 441 points, which was set over a 16-game season in 1980.

### WELKER TIES HIGHEST RECEPTION TOTAL IN TEAM HISTORY FOR NON-OVERTIME GAME

Wes Welker set career highs in receptions and receiving yards, totaling 13 receptions for 149 yards. Welker's 13 receptions tie the second highest single-game total in franchise history and tie the highest single-game total in team annals for a non-overtime game. His 13 receptions trail only Troy Brown's franchise record 16 receptions in an overtime win against Kansas City on Sept. 22, 2002. Welker joins two other Patriots with 13 catches in a game: Deion Branch at San Diego on Sept. 29, 2002 and Terry Glenn at Cleveland on Oct. 3, 1999.

#### TWO INTERCEPTIONS FOR SAMUEL

Asante Samuel had two interceptions, the first of which he returned 40 yards for a touchdown in the first quarter and the second of which came in the end zone with 3:52 remaining in the game and the Patriots holding a 31-28 lead. Samuel's interceptions against Philadelphia gave him a team-leading six on the season and 22 for his career. The Eagles game was the fourth game of Samuel's career in which he had two or more interceptions.

### MOSS MOVES INTO TOP 25 ON NFL'S ALL-TIME RECEPTIONS LIST

Randy Moss recorded his 744th career reception tonight, moving into the top 25 on the NFL's all-time receptions list. On a 7-yard reception in the second quarter – his second catch of the day – Moss passed Andre Rison's career total of 743 receptions to move into 25th place.

#### BRADY REACHES 25,000-YARD MILESTONE

Tom Brady eclipsed the 25,000-yard passing plateau for his career, reaching the milestone on his final completion of the night, a 16-yard pass to Jabar Gaffney in the fourth quarter. Brady finished the game with 25,003 passing yards in his 107-game regular-season NFL career. Brady joins Drew Bledsoe (29,657 yards) and Steve Grogan (26,886 yards) as the only players in Patriots history to total 25,000 or more passing yards with the franchise.

#### **BRADY THROWS FOR 380 YARDS**

Tom Brady completed 34-of-54 passes for 380 yards and a touchdown, recording his second highest yardage total of the season and the third highest yardage total of his career. Brady recorded his fifth 300-yard passing game of the season and the 20th 300-yard game of his career. His 34 completions were his highest total since recording 36 completions at San Diego on Sept. 29, 2002. His 54 pass attempts were his highest total since tying his career high with 55 attempts against Denver on Sept. 24, 2006.

#### SANDERS HAS FIRST INTERCEPTION OF SEASON

James Sanders iced the game with his first interception of the season, snaring an A.J. Feeley pass at the Eagles' 39-yard line with 11 seconds left in the game. The interception was the third of Sanders's three-year career.

#### SAMUEL RETURNS INTERCEPTION FOR TD

Asante Samuel intercepted an A.J. Feeley pass and returned it 40 yards for a touchdown on the Eagles' second offensive play of the game. The interception return for a touchdown was Samuel's first of the season and was the third of his regular-season career. Samuel's three regular-season interception returns for touchdowns rank third in Patriots history, trailing only Ty Law (6) and Tedy Bruschi (4). Samuel has also returned three interceptions for touchdowns in 11 career playoff games and his three playoffs are tied with Oakland's Willie Brown for the most in NFL history. Samuel's six combined interceptions returned for touchdowns (three in the regular-season and three in the playoffs) rank second in franchise history to Ty Law's seven (six in the regular season and one in the playoffs).

## SAMUEL BECOMES 20th PATRIOT TO SCORE TOUCHDOWN THIS SEASON

Asante Samuel became the 20th Patriots player to score a touchdown in 2007. Samuel returned an interception 40 yards for a touchdown on the second play of the game to give the Patriots a 7-0 lead. The NFL record for most players scoring a touchdown in a single season is 21, achieved by the 2000 Denver Broncos and the 1987 Los Angeles Rams.

### SEVEN RETURNS FOR TOUCHDOWNS TIE HIGHEST TOTAL FOR PATRIOTS SINCE 1961

Asante Samuel's interception return for a touchdown was New England's seventh return touchdown of the season, tying the second highest total in team history and trailing only the Patriots' eight return touchdowns in 1961. In addition to this season, the Patriots also had seven touchdowns via returns in 2003 and 2001. The 2007 Patriots have two interception returns for touchdowns, three fumble returns for touchdowns and two kickoff returns for touchdowns. Last season, the Patriots had one touchdown via return – a 93-yard kickoff return for a touchdown by Ellis Hobbs on Dec. 17, 2006.

#### **QUICK HITS**

- ➤ Wes Welker hauled in a 42-yard pass from Tom Brady in the third quarter to give the Patriots a first-and-goal from the 4-yard line. The catch was Welker's longest of the season and was the second longest of his career, trailing only a 47-yard reception while playing for the Miami Dolphins against the Patriots on Nov. 13, 2005.
- ➤ Jabar Gaffney caught a 32-yard pass from Tom Brady in the first quarter. The catch was Gaffney's longest of the season and his second longest since joining the Patriots in 2006, trailing only a 33-yard catch against the New York Jets on Dec. 12, 2006.

The Patriots rebounded from a 24-17 fourth-quarter deficit to improve to 12-0 with a victory over the Baltimore Ravens on Monday Night Football. The game was tied at 10 at halftime and was tied at 17 entering the final quarter. Baltimore took a 24-17 lead following a 1-yard touchdown catch by Daniel Wilcox with 14:25 left in the game. The Patriots were forced to punt on their next possession, but the New England defense came up with a key turnover on a James Sanders interception at the 1-yard line to give the Patriots possession. A 42-yard return by Sanders set up a 5-play, 47-yard drive that ended in a 38-yard field goal that cut the lead to 24-20 with 8:41 left. The Patriots defense forced a three-and-out, but New England's offense was subsequently forced to punt the ball back to Baltimore. New England's defense forced yet another three-and-out, setting up a 13-play, 68-yard drive that ended in a 27-24 Patriots lead on an 8-yard scoring pass from Brady to Jabar Gaffney with 44 seconds left. | New England Patriots | 7 | 10 | 14 | 3 | <b>—</b> 34 |

The Patriots improved to 13-0 with a 34-13 win over Pittsburgh. Tom Brady threw four touchdown passes and totaled 399 yards as the Patriots scored the final 20 points of the game to earn the victory. The game featured Pittsburgh's top-ranked defense against the Patriots' top-ranked offense, with both units entering the game leading the NFL in yardage and points categories. The Patriots totaled 421 total net yards of offense against a Pittsburgh defense that had been allowing an NFL-low average of 230.8 yards per game, and New England posted 34 points against a Steelers defense that had been allowing an NFL-low 12.9 points per game.

The Steelers scored on their opening possession, taking a 3-0 lead on a 23-yard field goal by Jeff Reed. New England responded with a 9-play, 52-yard drive that ended in a 4-yard touchdown pass from Brady to Randy Moss that gave New England a 7-3 lead. After a three-and-out by the New England defense, the Patriots scored again on the first play of their next possession as Brady connected with Moss on a 63-yard scoring pass to give New England a 14-3 lead. Pittsburgh responded with 10 unanswered points to cut its deficit to 14-13 with 2:29 left in the half. The Patriots then went into their 2-minute drill and produced a field goal to make the halftime score 17-13.

The New England defense began the second half by forcing a Pittsburgh punt and the Patriots promptly extended their lead on a trick play where Brady lateraled the ball to Moss and Moss threw the ball back to Brady, who then hooked up with Jabar Gaffney for a 56-yard touchdown pass and a 24-13 Patriots advantage. After another three-and-out by the New England defense, Brady directed a 10-play, 50-yard drive that ended in a 2-yard scoring pass to Wes Welker and a 31-13 New England lead entering the fourth quarter. A final Patriots field goal was the only scoring of the final stanza as New England halted Pittsburgh's final scoring chances to claim the 34-13 win.

#### **BELICHICK RECORDS 100th VICTORY**

Bill Belichick recorded his 100th overall victory as Patriots head coach. Since being hired by the Patriots prior to the 2000 season, Belichick has now recorded 88 regular-season victories and 12 playoff wins for a total of 100 victories. He is one of four current NFL head coaches to win 100 or more overall games with their current team, joining Washington's Joe Gibbs (168 wins), Denver's Mike Shanahan (130) and Tennessee's Jeff Fisher (117). Belichick has an overall coaching record of 137-84 (.620), including a 124-81 regular-season mark and a 13-3 playoff record.

#### BRADY RECORDS FIFTH GAME WITH 4+ TDs

Tom Brady threw four touchdown passes, marking his fifth game of the season with four or more scoring throws. Brady's five games with four or more touchdowns tie the third highest total in NFL history, trailing only the six games with four or more touchdown passes by Peyton Manning in 2004 and by Dan Marino in 1984. Brady's five games with four or more scoring passes tie Donovan McNabb's 2004 total, Marino's 1986 total and Brett Favre's 1996 total.

#### MOSS SETS TEAM RECORD FOR TOUCHDOWNS

With his first touchdown catch of the day, a 4-yard reception from Tom Brady, Randy Moss set a new Patriots record with his 18th overall touchdown of the season, topping Curtis Martin's previous record of 17 touchdowns in 1996.

#### **GAFFNEY HAS CAREER HIGH YARDAGE**

Jabar Gaffney set a career high with 122 receiving yards on seven catches, including a 56-yard touchdown in the third quarter. Gaffney's previous career high was 109 receiving yards, achieved while playing for the Houston Texans against Chicago on Dec. 19, 2004. The 100-yard receiving game was the second of Gaffney's regular-season career. He also has two 100-yard games in three career playoff contests, all with the Patriots in 2006.

#### **BRADY HAS SECOND HIGHEST YARDAGE TOTAL**

Tom Brady totaled 399 passing yards against Pittsburgh, completing 32-of-46 passes (69.6 percent) with four touchdowns and no interceptions for a 125.2 passer rating. The 399 passing yards are the second highest of Brady's career, trailing only his 410 passing yards in a 41-38 overtime win over Kansas City on Sept. 22, 2002. Brady's 399 yards are his highest career total in a non-overtime game. Including his yardage total against Pittsburgh, four of Brady's top five career single-game yardage totals have come this season. Against Pittsburgh, Brady recorded his seventh 300-yard passing game of the season and the 22nd 300-yard game of his career.

#### **BRADY PASSES 4,000-YARD MARK**

With a 4-yard completion to Wes Welker in the third quarter, Tom Brady exceeded 4,000 passing yards for the season, marking the fourth 4,000-yard passing season in Patriots history. Following that completion, Brady had 4,001 yards on the season.

#### TWO COMPLETIONS OF 50 YARDS OR LONGER

The Patriots completed two touchdown passes of longer than 50 yards, marking the first time since 2001 that the Patriots have had two completions of 50 yards or more in the same game. Against Pittsburgh, Tom Brady hit Randy Moss for a 63-yard touchdown in the second quarter and later completed a 56-yard touchdown toss to Jabar Gaffney in the third quarter. The last time New England completed two passes of 50 yards or longer in the same game was on Oct. 21, 2001 at Indianapolis, when Brady threw a 91-yard touchdown pass to David Patten and Patten threw a 60-yard scoring pas to Troy Brown.

#### **WELKER BREAKS 90-CATCH MARK**

With an 11-yard reception in the fourth quarter – his 90th catch of the season – Wes Welker recorded the fifth 90-reception season in Patriots history. He joins Troy Brown (101 receptions in 2001 and 97 receptions in 2002), Ben Coates (96 catches in 1994) and Terry Glenn (90 receptions in 1996) as the only players in Patriots history to achieve the feat.

#### MOSS CATCHES 63-YARD TOUCHDOWN PASS

Randy Moss hauled in a 63-yard touchdown reception from Tom Brady in the second quarter to give the Patriots a 14-3 lead. The reception was Moss's longest of the season, topping a 55-yard grab at Indianapolis on Nov. 4. It was also Moss's fourth catch of 50 yards or longer this season and was the 33rd reception of 50 yards or longer in his career. The 63-yard touchdown was Moss's 11th touchdown catch of 60 yards or longer in his career. It was the second longest reception of the season for the Patriots, trailing only a 69-yard scoring pass from Brady to Donte Stallworth at Dallas on Oct. 14.

### STEELERS BECOME FIRST PATRIOTS OPPONENT TO SCORE ON OPENING POSSESSION

The Patriots allowed the Steelers to convert a 23-yard field goal on Pittsburgh's first offensive possession of the game. The points were the first of the season that New England has allowed on an opponents' opening possession of the game. Entering the game, the Patriots were the only NFL team not to allow an opponent score on their opening possession.

## GAME 14: PATRIOTS 20, JETS 10

#### PATRIOTS 20, JETS 10

December 16, 2007 \* Gillette Stadium (Att: 68,756)

|                      | 1 | 2  | 3 | 4 | Final       |
|----------------------|---|----|---|---|-------------|
| New York Jets        | 0 | 7  | 0 | 3 | <b>—</b> 10 |
| New England Patriots | 7 | 10 | 0 | 3 | <b>—</b> 20 |

The Patriots became the second team in the NFL's 88-year history to begin a season with 14 consecutive wins, defeating the New York Jets 20-10 at Gillette Stadium. New England swept the season series with New York and also clinched the top playoff seed in the AFC and homefield advantage throughout the AFC playoffs.

New England gained 131 rushing yards and 140 passing yards to grind out a victory on a windy, cold and wet afternoon. Laurence Maroney had 104 rushing yards on 26 carries, while the New England defense allowed the Jets offense to score just three points (New York's only touchdown was off of a blocked punt). The Patriots sacked the Jets' Chad Pennington five times.

Eugene Wilson's 5-yard interception return for a touchdown in the first quarter put New England in front 7-0, and Kelley Washington blocked a Jets punt late in the first half to set up a 3-yard touchdown drive that ended in a Maroney scoring plunge and a 17-7 Patriots halftime lead. After a scoreless third quarter, the Jets narrowed the gap to 17-10 on a field goal with 6:13 left in the game. The Patriots responded with a field goal of their own to make the score 20-10. New York threatened to reach the end zone late in the game, but a potential touchdown catch was overturned by instant replay and the New England defense held tough to preserve the victory.

#### PATRIOTS TIE NFL RECORD WITH 21st DIFFERENT PLAYER TO SCORE A TOUCHDOWN

With his first quarter interception return for a touchdown, Eugene Wilson became the 21st different player to score a touchdown for the Patriots this season, tying the all-time NFL record for most players scoring a touchdown in a single season. The Patriots have tied the 2000 Denver Broncos and the 1987 Los Angeles Rams, who also each had 21 players score.

#### **BRADY SETS SINGLE-SEASON CAREER HIGH**

On a 12-yard completion to Randy Moss in the first quarter, Tom Brady set a new single-season career high for passing yards, topping his total of 4,110 yards in 2005. Following his 12-yard completion to Moss, Brady had 4,117 passing yards for the season. He finished the game with 4,235 passing yards this year. Brady's 2007 yardage total is currently the second highest total in Patriots franchise history, trailing only Drew Bledsoe's team-record 4,555 passing yards in 1994.

#### **WELKER TOPS 1,000 RECEIVING YARDS**

On his final catch of the day – a 16-yard reception in the fourth quarter – Wes Welker exceeded the 1,000-yard receiving mark for the season. Welker finished the game with 96 receptions for 1,004 receiving yards in 2007. His 96 receptions are tied for the third highest single-season total in team history (Ben Coates, 1994). Troy Brown holds the team record with 101 catches in 2001. The 1,000-yard season is the first of Welker's career.

#### **MARONEY TOPS CENTURY MARK**

Laurence Maroney gained 104 yards on 26 carries, recording his second 100-yard rushing game of the season and the third 100-yard rushing game of his career. Maroney also topped the century mark against Buffalo on Sept. 23, 2007 (103 yards on 19 carries) and also at Cincinnati on Oct. 1, 2006 (125-15).

#### MOSS BREAKS 12,000-YARD MARK FOR CAREER

On his final catch of the game – a 46-yard reception from Tom Brady in the fourth quarter – Randy Moss exceeded 12,000 receiving yards for his career, becoming the 15th player in NFL history to accomplish the feat. Moss ended the game with 12,043 career receiving yards on 763 career receptions.

#### MOSS BREAKS 1,300-YARD MARK FOR SEASON

On his 46-yard reception in the fourth quarter, Randy Moss exceeded 1,300 receiving yards for the season, becoming the second player in Patriots history to achieve the feat. Stanley Morgan is the only other player in team history to break the 1,300-receiving yard mark, gaining a franchise-record 1,491 receiving yards in 1986. Moss ended the game with 1,343 receiving yards on 87 receptions in 2007. His 1,343 receiving yards are the second highest single-season total in Patriots history, trailing only Morgan's 1986 total.

#### **EUGENE WILSON SCORES FIRST TD**

Eugene Wilson returned an interception five yards for a touchdown in the first quarter to give the Patriots a 7-0 lead. The touchdown was the first of Wilson's 5-year career and came on his 10th career interception. Wilson has become the 30th player in Patriots history to record 10 or more regular-season interceptions with the team and ties Mike Vrabel for the third highest interception total in a New England uniform by an active Patriots player. Of active Patriots, only Asante Samuel (22) and Tedy Bruschi (12) have more interceptions than Wilson in a New England uniform. The interception was Wilson's first since Nov. 20, 2005. He became the sixth Patriots player to score a defensive touchdown this season, joining Asante Samuel, Ellis Hobbs, Randall Gay, Rosevelt Colvin and Adalius Thomas. The interception return for a touchdown was the third for the Patriots this season.

#### MARONEY SCORES THIRD TD OF SEASON

Laurence Maroney gave the Patriots a 17-7 lead on a 1-yard touchdown run in the second quarter. The scoring run was Maroney's third of the season and was the ninth rushing score of his career. Maroney's touchdown against the Jets was the 10th overall touchdown of his career, including nine rushing scores and one receiving touchdown.

### WASHINGTON BLOCKED PUNT: FIRST FOR PATRIOTS SINCE 1999

Kelley Washington blocked a punt by New York's Ben Graham in the second quarter, giving the Patriots possession at the Jets' 3-yard line, setting up a 1-yard touchdown run by Laurence Maroney and a 17-7 Patriots lead. The blocked punt was the first for the Patriots since Dec. 19, 1999, when Larry Whigham blocked a punt by Philadelphia's Sean Landeta in a 24-9 victory over the Eagles at Veterans Stadium in Philadelphia.

### OPPONENT BLOCKED PUNT RETURN FOR TOUCHDOWN: FIRST TIME SINCE 1990

The Jets' David Bowens blocked a Chris Hanson punt and returned it 26 yards for a touchdown, marking the first time a Patriots opponent had returned a blocked punt for a touchdown since Oct. 18, 1990. In that game, Miami's Mark Higgs returned a blocked punt of New England's Brian Hansen 19 yards for a touchdown. Prior to today's game, the last time an opponent blocked a Patriots punt was on Sept. 8, 2005, when Oakland's Randal Williams blocked a Josh Miller punt.

#### **SEAU RECORDS TWO SACKS**

Junior Seau had two sacks, recording his first multiple-sack game since Oct. 10, 1999, when he had two sacks for the San Diego Chargers at Detroit. Seau recorded the fifth multiple-sack game of his 18-year career. He sacked Chad Pennington for an 8-yard loss in the second quarter and sacked him again for a 13-yard loss on the final play of the game. The sacks were Seau's second and third of the season and raised his career total to 56.0 career sacks. Seau's career sack total ranks fifth among active linebackers.

The Patriots improved to 15-0 with a 28-7 win over Miami in their home finale. Tom Brady threw three touchdown passes and totaled 215 yards as the Patriots raced out to a 28-0 first half lead. With the win, New England became the first team in NFL history to begin a regular season with 15 consecutive victories, topping the previous record of 14 wins set by Miami in 1972. The win gives the Patriots a perfect 6-0 record in the division for the first time in team history and also snapped a three-game losing streak to the Dolphins in the months of December and January. New England has won 18 consecutive regular season games, tying its own NFL record for consecutive regular season wins set during the 2003-04 seasons.

The Patriots opened the scoring on their first possession, taking a 7-0 lead when Brady found Randy Moss for an 11-yard touchdown strike that capped a 10-play, 70-yard drive. New England doubled its lead two possessions later when Brady found Moss in the end zone for a second time with a one-yard touchdown pass. After a strong stand by the Patriots defense, New England went to the ground game as Laurence Maroney broke a career-long 59-yard touchdown run to give the Patriots a 21-0 lead. After a three-and-out by the Patriots defense, Brady orchestrated a six-play, 80-yard drive that ended with a 48-yard touchdown catch by Jabar Gaffney.

The Miami defense began the second half by intercepting Brady on back-to-back possessions, but the Dolphins offense was unable to take advantage of the turnovers. Both teams were held scoreless for most of the second half. Miami prevented a shutout when Cleo Lemon hit Greg Camarillo in the corner of the end zone for a 21-yard touchdown strike in the third quarter. New England held the Dolphins to just nine total yards in the final frame to hold on for the 28-7 win.

#### PATRIOTS SET MARK FOR MOST TDs IN A SEASON

With Jabar Gaffney's 48-yard touchdown reception in the second quarter – the Patriots' 71st touchdown of the year – New England set a new NFL record for most touchdowns in a season. The Patriots passed the previous record of 70 touchdowns, achieved by the 1984 Miami Dolphins. Following the Miami game, the Patriots have scored 71 touchdowns – 48 passing, 15 rushing and eight via returns. The 1984 Dolphins scored 70 – 49 passing, 18 rushing and three via returns.

### PATRIOTS FINISH UNDEFEATED IN DIVISION FOR FIRST TIME IN TEAM HISTORY

The Patriots have won all six of their games against AFC East division teams this season, marking the first time in team history that the Patriots have swept their division. The previous franchise-low of one divisional loss was achieved on five occasions: 1986, 1997, 2003, 2004 and 2005.

### MARONEY RECORDS LONGEST RUSH BY A PATRIOT SINCE 1998

Laurence Maroney tore off a 59-yard touchdown run in the second quarter to give the Patriots a 21-0 lead. The touchdown was the longest run by a Patriots player since 1998. The last time a Patriot ran for 59 yards or more was on Dec. 27, 1998, when Sedrick Shaw scampered 71 yards in the regular-season finale at the New York Jets. Earlier in the game, Maroney had a 51-yard run as the key play in a five-play, 66-yard scoring drive that ended in a 1-yard touchdown pass from Tom Brady to Randy Moss and a 14-0 Patriots lead. Prior to the Miami game, Maroney's previous career-long run was 41 yards, achieved at Cincinnati on Oct. 1, 2006.

### PATRIOTS SET FRANCHISE RECORD FOR TOTAL NET YARDS IN A SEASON

The Patriots have set a new franchise record for total net yards in a single season, topping the previous mark of 5,965 total net yards, set in 1978. The Patriots broke the franchise record on a 59-yard touchdown run by Laurence Maroney in the second quarter, after which the team had totaled 6,015 total net yards this season. New England finished the game with 6,190 total net yards this season.

## PATRIOTS SET FRANCHISE RECORD FOR MOST FIRST DOWNS IN A SEASON

On a 16-yard pass from Tom Brady to Donte Stallworth in the first quarter, the Patriots gained their second first down of the game and their 349th first down of the season, setting a new franchise record for most first downs in a season. New England has topped its old team mark of 348 first downs, set in 1994. The Patriots finished the game with 366 first downs on the year.

### VRABEL'S 11.5 SACKS ARE MOST FOR A PATRIOT IN A SEASON IN THE LAST 20 YEARS

Mike Vrabel sacked Miami's Cleo Lemon twice – for a 5-yard loss in the second quarter and for a 4-yard sack in the third quarter – raising his season total to 11.5 sacks. Vrabel's 11.5 sacks mark the highest total by a Patriots player since 1987, when Andre Tippett totaled 12.5 sacks. Vrabel is the first Patriot to exceed 10.0 sacks in a dozen seasons, dating back to 1995 when Willie McGinest totaled 11.0 sacks.

#### MARONEY RECORDS PATRIOTS' HIGHEST SINGLE-GAME YARDS-PER-CARRY SINCE 1974

Laurence Maroney averaged 11.1 yards per carry, rushing 14 times for 156 yards. Maroney's 11.1 yards per carry is the highest by a Patriots player who has run the ball at least 10 times since Sam Cunningham averaged 11.4 yards per carry (125 yards on 11 rushes) at Buffalo on Oct. 20, 1974. Maroney's 11.1 yards per carry are the third highest figure in franchise history, trailing Cunningham's total and the franchise record of 11.6 yards per carry, achieved by Larry Garron against Buffalo on Oct. 22, 1961 (116 yards on 10 carries).

#### **MARONEY SETS CAREER HIGH**

Laurence Maroney set a career high with 156 yards on 14 carries, surpassing his previous career high of 125 yards (10/1/06) on his 13-yard rush in the fourth quarter. Maroney's 156 rushing yards are the most by a Patriots player since Corey Dillon had 158 rushing yards (on 32 carries) at Arizona on Sept. 19, 2004. Maroney recorded his second straight 100-yard rushing game, his third 100-yard game of the season and the fourth 100-yard rushing game of his career.

#### **TROY BROWN MAKES 2007 DEBUT**

Wide receiver Troy Brown made his 2007 debut when he returned a Miami punt following the Dolphins' opening possession of the game. The game was Brown's 192nd game in a Patriots uniform, moving him past Raymond Clayborn and into third place on the franchise's all-time games played list. Tackle Bruce Armstrong is the franchise's all-time games played leader with 212 games from 1987-2000. Defensive end Julius Adams ranks second (206) and running back Mosi Tatupu ranks third (194). Brown has played in 192 games during his 15-year tenure with the Patriots from 1993-2007. | New York Giants      | 7 | 14 | 7 | 7  | <b>—</b> 35 |

The Patriots improved to 16-0 with a 38-35 win over the New York Giants and in doing so became the fourth team in the 88-year history of the NFL to finish the regular season undefeated and untied. Tom Brady threw two touchdown passes and totaled 356 yards to lead New England to a come from behind win at the Meadowlands. With the win the Patriots set a new NFL record for consecutive regular season wins. Since December 11, 2006, New England has won 19 straight regular season contests, one more than the team's previous record set over the 2003 and 2004 seasons.

The Giants became the first team to score a touchdown on its opening drive against the Patriots in 23 games when Eli Manning hit Brandon Jacobs for a seven-yard score. New England responded with a 12-play 54-yard drive resulting in a 37-yard field goal by Stephen Gostkowski. After a three-and-out by the Patriots defense New England took a 10-7 lead when Brady connected with Randy Moss for a four-yard touchdown. New York quickly regained the lead as Domenik Hixon returned the ensuing kick off 74-yards for a touchdown to make it 14-10. The Patriots answered as Gostkowski hit field goals of 45-yards and 37-yards on consecutive drives giving New England a 16-13 edge. The Giants put together an eight play, 85-yard drive culminating in a three-yard touchdown pass from Manning to tight end Kevin Boss. That sent the teams to the locker room at half time with New York up 21-16.

The Giants extended their lead to 11 points when Manning found Plaxico Burress in the end zone for his third scoring strike. The Patriots countered with an eight play, 73-yard drive capped by Laurence Maroney's six-yard touchdown run. After the two teams traded punts New England regained the lead when Brady connected with Moss for a 65-yard touchdown. The Patriots pushed the lead to three points at 31-28 with a successful twopoint conversion. With the score Brady set the single season record for touchdown passes (50) and Moss set the single season record for touchdown receptions (23). New England took advantage of a Giants turnover driving 52-yards on nine plays and taking a 38-28 lead with a five-yard touchdown run by Maroney. Needing two scores to put an end to the Patriots undefeated season Manning drove the Giants 68-yards finding Burress for a three-yard touchdown, Manning's fourth scoring strike of the game, cutting the New England lead to three. The Patriots then recovered the ensuing onside kick attempt to secure the 38-35 win.

### MOSS MOVES INTO NFL'S TOP 10 FOR CAREER TOUCHDOWNS

With his 4-yard scoring catch in the first quarter, Randy Moss scored the 124th touchdown of his career, passing Marvin Harrison (123 touchdowns) to move into 10th place on the NFL's all-time touchdowns list. As of halftime, Moss has scored 123 career receiving touchdowns and one touchdown via a punt return for a total of 124 overall touchdowns.

#### HOBBS RECORDS FIRST INT OF THE SEASON

Ellis Hobbs intercepted an Eli Manning pass in the fourth quarter, giving the Patriots possession at their own 48-yard line. Hobbs's interception was his first of the season and it was the sixth pick of his career. The interception was the 19th of the year for the Patriots and set up a 9-play, 52-yard drive that ended in a 5-yard touchdown run by Laurence Maroney that extended New England's lead to 38-28.

### MARONEY REACHES END ZONE TWICE, SCORES FOR THIRD STRAIGHT GAME

Laurence Maroney scored two touchdowns, marking the second multiple-touchdown game of his career and tying his career high of two scores, also achieved on Oct. 1, 2006 at Cincinnati. Against the Giants, Maroney scored on a 6-yard touchdown run in the third quarter to cut New England's deficit to 28-23 and again on a 5-yard run in the fourth quarter to extend New England's lead to 38-28. The scoring runs marked Maroney's fifth and sixth rushing touchdowns of the season and mark his third consecutive game with a score. He has scored five times in New England's last seven games dating back to Nov. 18 at Buffalo. Maroney's three straight games with a touchdown mark the longest scoring streak of his career.

#### **GOSTKOWSKI NAILS THREE FIRST-HALF FGs**

Stephen Gostkowski converted field goals from 37, 45 and 37 yards in the first half, improving to 21-for-24 on the season (87.5 percent). His three field goals are a season high, having previously booted two field goals in a game on six occasions. The 45-yard boot in the second quarter tied Gostkowski's longest field goal of the season, also accomplished on Oct. 21 at Dallas. The longest field goal of his career is from 50 yards, achieved in last season's divisional playoffs at San Diego on Jan. 14, 2007.

#### **WELKER TOPS 100-YARD RECEIVING MARK**

Wes Welker totaled 122 yards on 11 receptions, topping the 100-yard receiving mark for the fourth time this season. He also broke the 100-yard receiving mark at Dallas on Oct. 14 (11-124), at Miami on Oct. 21 (9-138), and against Philadelphia on Nov. 25 (13-149).

#### MOSS: 100-YARD GAME AND TWO-TD GAME

Randy Moss totaled 100 receiving yards on six receptions, two of which resulted in touchdowns. The game was Moss's ninth 100-yard game of the season, tying him for the franchise record with Stanley Morgan, who also had nine 100-yard receiving games in 1986. Moss's 100-yard receiving game was the 55th of his career, a total that ranks third in NFL history, trailing only Jerry Rice (76) and Marvin Harrison (59).

### MOSS CATCHES LONGEST PASS OF THE SEASON AND LONGEST SINCE 2005

Randy Moss's 65-yard touchdown reception in the fourth quarter was his longest reception of the season and was his longest catch since Oct. 2, 2005, when he hauled in a 79-yard bomb while playing for the Oakland Raiders in a game against Dallas. The 65-yarder topped his previous season-long grab of 63 yards against Pittsburgh on Dec. 9. Moss's 65-yard catch was his fifth reception of 50 yards or longer this season. It was the second longest completion for the Patriots this year, trailing only a 69-yard scoring catch by Donte Stallworth at Dallas on Oct. 14.
