

A spot on the New England Patriots Waitlist (“The List”) makes the perfect gift for family, friends, or any Patriots fan.

If you would like to purchase a membership to The List as a gift, please fill out this application with all of the recipient’s information, with the exception of their email address. Then, complete your purchase with your contact information and Visa credit card information.

Within 3-5 business days of your Waitlist purchase, you will receive a payment receipt through email. Therefore, we ask that you fill out the application using your own email address, as this will ensure the gift recipient is unaware of the purchase.

Once submitted to the Patriots Ticket Office, your gift recipient’s contact information will be used to build their Waitlist account. Please be aware that New England Patriots Waitlist members will have the ability to update their email address on file at any time.

A welcome email containing important account information, including the Waitlist account number and PIN, will be sent to the email address on file 3-5 business days after the application is submitted.
